## Directors' report for the year ended 31 May 2020

---

The directors present their report together with the audited financial statements for the year ended 31 May 2020.

### Principal activities

The principal activity of the company is the development and provision of integrated mobile solutions providing businesses with solutions to communicate with their customers over a variety of channels such as web, MMS, SMS, voice, email, push notifications and social media. The company operates under the trade name Engage Hub.

Our technology platforms are designed to help our customer's interactive marketing and communication with their customers via the mobile phone and web and provide innovative ways for businesses to engage with their clients.

### Directors

The directors of the company during the year were:

G Corbett  
S Leahy  
R Tierney

### Dividends

The directors have recommended a final ordinary dividend of £121.22 per 1p Ordinary Share (2019 - None).

### Financial instruments

#### *Credit risk*

Credit risk is the risk of financial loss to the company if a customer fails to meet its contractual obligations. The company is mainly exposed to credit risk from credit sales. The majority of credit sales are with large well established companies. Each new customer is analysed individually for creditworthiness before entering into business with the customer.

Credit risk also arises from cash and cash equivalents and deposits with banks and financial institutions. This is mitigated by banking with "A" rated banking institutions.

#### *Liquidity risk*

The company has no borrowing and maintains appropriate cash balances. The Board regularly reviews its forward looking cash flow projections to ensure both working capital and investment capital are sufficient for the twelve months ahead.

#### *Foreign exchange risk*

Foreign exchange risk arises when the company enters into transactions denominated in a currency other than their functional currency. The company is predominantly exposed to currency risk on sales in Euros, US dollars, Brazilian Reals and Singapore Dollars.

### Post balance sheet events

On 4 June 2020, the directors approved a dividend of £121.22 per Ordinary Shares of 1p each, totalling £2,500,831.

On 4 June 2020, the Company reduced its capital by cancelling all of its share premium account and credited the full amount of £499,990 to the profit and loss reserve

# Brainstorm Mobile Solutions Limited

## Directors' report for the year ended 31 May 2020 (*continued*)

---

### Impact of Covid-19

The directors have assessed the impact of the COVID-19 outbreak on the business and have concluded that there is no material effect on the supply and demand for the Company's services and therefore, its operating results have not been materially impacted. The directors do not expect this position to change for the foreseeable future.

### Qualifying third party indemnity provisions

The Directors have the benefit of the indemnity provisions contained in the Company's Articles of Association ('Articles'), and the Company has maintained throughout the year Directors' and officers' liability insurance for the benefit of the Company, the Directors and its officers. The Company has entered into qualifying third-party indemnity arrangements for the benefit of all its Directors in a form and scope which comply with the requirements of the Companies Act 2006 and which were in force throughout the year and remain in force.

### Auditors

We, the directors of the group who held office at the date of approval of these Financial Statements as set out above each confirm, so far as we are aware, that:

- there is no relevant audit information of which the group's auditors are unaware; and
- we have taken all the steps that we ought to have taken as directors in order to make ourselves aware of any relevant audit information and to establish that the group's auditors are aware of that information.

In preparing this directors' report advantage has been taken of the small companies' exemption.

### Approval

This Directors' Report was approved by order of the Board on 28 August 2020

G Corbett  
Director

# **Brainstorm Mobile Solutions Limited**

## **Directors' responsibilities statement for the year ended 31 May 2020**

---

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit of the company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Brainstorm Mobile Solutions Limited

## INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF BRAINSTORM MOBILE SOLUTIONS LIMITED

---

### Opinion

We have audited the financial statements of Brainstorm Mobile Solutions Limited (the 'company') for the year ended 31 May 2020 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 May 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

# Brainstorm Mobile Solutions Limited

## INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF BRAINSTORM MOBILE SOLUTIONS LIMITED (continued)

---

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

# Brainstorm Mobile Solutions Limited

## INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF BRAINSTORM MOBILE SOLUTIONS LIMITED (continued)

---

### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**Mr Mark James Eden FCCA (Senior Statutory Auditor)**  
for and on behalf of Jerroms

# Brainstorm Mobile Solutions Limited

## Notes forming part of the financial statements for the year ended 31 May 2020

---

### 1 Accounting policies

Brainstorm Mobile Solutions Limited is a private company, limited by shares, incorporated in England & Wales under the Companies Act. The address of the registered office is given on the contents page and the nature of the company's operations and its principal activities are set out in the directors' report. The financial statements have been prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 2).

The following principal accounting policies have been applied:

#### *Financial reporting standard 102 - reduced disclosure exemptions*

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.29; and
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Brainstorm Investments Limited as at 31 May 2020 and these financial statements may be obtained from Studio 311, Highgate Studios, 53-79 Highgate Road, London, NW5 1TL.

#### *Consolidated financial statements*

The financial statements contain information about Brainstorm Mobile Solutions Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken advantage of the exemption conferred by Section 400 of the Companies Act 2006 not to produce consolidated financial statements as it is included in the EEA accounts of a larger group.

#### *Going concern*

The directors have prepared budgets and cash flows for a period of at least twelve months from the date of the approval of the financial statements which demonstrate that there is no material uncertainty regarding the company's ability to meet its liabilities as they fall due, and to continue as a going concern. On this basis the directors consider it appropriate to prepare the financial statements on a going concern basis. Accordingly, these financial statements do not include any adjustments to the carrying amounts and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

#### *Turnover*

Turnover represents amounts receivable for services net of VAT and trade discounts. Revenue is recognised when the services have been delivered. Where services are contracted over a multi-year contract revenue is recognised as the services are delivered.

#### *Employee termination benefits*

Termination benefits provided as a result of terminating employment are recognised when the company has communicated its plan of termination to the affected employees and the plan meets specified criteria, unless the involuntary termination benefits are provided in exchange for employees' future services (i.e. in substance

# Brainstorm Mobile Solutions Limited

## Notes forming part of the financial statements for the year ended 31 May 2020 (continued)

### 1 Accounting policies (continued)

#### *Employee termination benefits (continued)*

they are a 'stay bonus'). In such cases, the liability for those benefits are recognised over the period of the future service. Termination benefits to encourage employees to leave service voluntarily are recognised when employees accept the company's offer of those benefits.

#### *Tangible fixed assets*

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The company adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits to the company. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

#### *Depreciation*

Depreciation on assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. The estimated useful lives range as follows:

Leasehold land and buildings	-	Straight line over the lease term
Computer equipment	-	25% - 33% straight line method
Fixtures, fittings and equipment	-	25% straight line method

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'other operating income or losses' in the statement of comprehensive income.

#### *Intangible assets*

Externally acquired intangible assets are initially recognised at cost and subsequently amortised on a straight-line basis over their useful economic life.

Customer database	-	20% straight line method
Intellectual property	-	20% straight line method

#### *Valuation of investments*

Investments in subsidiaries are measured at cost less accumulated impairment.

#### *Impairment*

The carrying values of intangible and tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

#### *Leased assets: Lessee*

Rentals payable under operating leases are charged against income on a straight-line basis over the lease term.

# Brainstorm Mobile Solutions Limited

## Notes forming part of the financial statements for the year ended 31 May 2020 (continued)

---

### 1 Accounting policies (continued)

#### *Current and deferred taxation*

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a charge attributable to an item of income or expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company's subsidiaries operate and generate taxable income.

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits;
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met; and
- Where timing differences relate to interests in subsidiaries, associates, branches and joint ventures and the company can control their reversal and such reversal is not considered probable in the foreseeable future.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax.

Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

#### *Foreign currency translation*

Foreign currency transactions are translated into the company's functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in profit or loss within 'finance income or costs'. All other foreign exchange gains and losses are presented in profit or loss within 'other operating income or expense'.

#### *Pension costs*

Contributions to the company's defined contribution pension scheme are charged to profit or loss in the year in which they become payable.

#### *Financial assets*

Financial assets, other than investments and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at cost, less any impairment.

# Brainstorm Mobile Solutions Limited

## Notes forming part of the financial statements for the year ended 31 May 2020 (continued)

### 1 Accounting policies (continued)

#### *Financial liabilities and equity*

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form. Financial liabilities, excluding convertible debt and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at amortised cost.

#### *Holiday pay accrual*

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the reporting date.

#### *Dividends*

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting. Dividends on shares recognised as liabilities are recognised as expenses and classified within interest payable.

#### *Reserves*

The Company's reserves are as follows:

- Called up share capital reserve represents the nominal value of the shares issued.
- The share premium account includes the premium on issue of equity shares, net of any issue costs.
- Other reserves represent the balance in respect of preference shares that were redeemable up to 31 December 2003 that were transferred to other reserves.
- Profit and loss account represent cumulative profits or losses, net of dividends paid and other adjustments.

### 2 Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the directors have made the following judgements:

- Determine whether leases entered into by the company either as a lessor or a lessee are operating or lease or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lessor to the lessee on a lease by lease basis.
- Determine whether there are indicators of impairment of the company's tangible and intangible assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

#### *Other key sources of estimation uncertainty*

- *Tangible fixed assets (see note 10)*

Tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.
