

Penn COVID-19 Response »

Facts

The University of Pennsylvania by the numbers: enrollment, tuition, employment, faculty size, annual budget, and more.

Students (Fall 2021)

23,030

Full-time

5,008

Part-time

28,038

Total Students

10,106

Full-time Undergraduate

12,924

Undergraduate Admissions (Fall 2021)

Penn received 56,332 applications for admission to the Class of 2025. Of those applicants, 3,304, or 6 percent, were offered admission. Ninety-three percent of the students admitted for Fall 2021 came from the top 10 percent of their high school graduating class. The middle 50% of scores, as well as the median scores, on each of the two SAT components, are as follows:

- SAT Evidence-based Reading + Writing component: 720 to 7700, with a median of 750
- SAT Math component: 760 to 800, with a median of 780

ADMISSIONS

2,418

Students matriculated into this year's freshman class.

Undergraduate Graduation Rate

Study Abroad

1st

among the Ivy league schools in number of students studying abroad

14th

nationwide among doctoral/research institutions in number of students studying abroad, according to the most recent data (Institute of International Education, 2018).

2,311

Penn US Citizen and Permanent Resident students participated in study abroad programs for academic credit in 2016-2017

85

countries that Penn students earned academic credit in, in 2016-2017

Diversity (Fall 2021)

56%

of the Class of 2025 identify as Black, Hispanic, Asian, or Native American

56%

of all currently enrolled students are women

PENN TODAY

Penn Nursing's innovation ecosystem

In the past five years, the school has been intentional about creating an environment that rewards risk-taking and supports failures. It's led to story slams and accelerators and a shift to an innovation-centric mindset.
