

SHORT PROFILE OF THE BENTELER GROUP

BENTELER is a global company engaged in the development, production and distribution of products, systems and services for the automotive, energy and mechanical engineering sectors. We have a skilled workforce of approximately 23,000 employees at 87 locations in 26 countries worldwide, dedicated to delivering a first-class service in production and distribution wherever our customers need us. We use our size and global reach to serve the market flexibly, in cooperation with our business partners.

Under the management of the strategic holding BENTELER International AG, registered in Salzburg, Austria, business operations are organized into the Divisions BENTELER Automotive and BENTELER Steel/Tube. With technological excellence and effective implementation we develop solutions that make a difference – for customers, employees and society.

BENTELER. The family of driven professionals. Since 1876.

REVENUE BY SEGMENTS

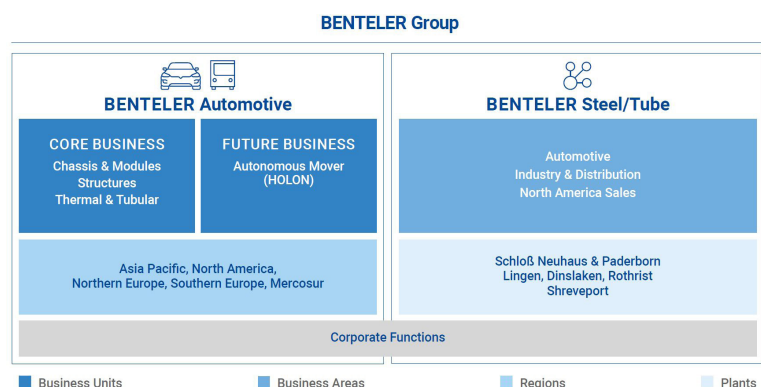

REVENUE BY REGION

GROUP STRUCTURE

Under the management of the strategic holding BENTELER International AG, registered in Salzburg, Austria, the BENTELER Group is organized into the Divisions BENTELER Automotive and BENTELER Steel/Tube.

BENTELER INTERNATIONAL AG

The Executive Board of the holding company is responsible for the strategic management of the Group. The Board members are:

- **Ralf Göttel, Chief Executive Officer**
- **Dr. Tobias Braun, Chief Financial Officer**

BENTELER AUTOMOTIVE

BENTELER Automotive is the development partner for the world's leading automobile manufacturers. With 19,000 employees and about 70 plants in more than 20 countries we develop tailored solutions for our customers. Our products include components and modules in the areas of chassis, body, engine and exhaust systems, as well as future technologies such as solutions for electric vehicles.

HOLON

HOLON is a legally independent entity and a subsidiary of BENTELER Automotive. With well-founded know-how in automotive technology and industrialization as well as the continuous implementation of new technologies for electromobility, the company develops autonomous movers for the vehicle market of the future. To do this, HOLON works with technology companies, local public transport companies and mobility-as-a-service providers.

BENTELER STEEL/TUBE

BENTELER Steel/Tube develops and produces steel and seamless and welded quality steel tubes. As one of the leading manufacturers, we offer our customers worldwide solutions along the entire value chain - from material development to tube applications. We create customized tube products for the automotive, energy and industry market segments.

OWNERSHIP STRUCTURE

BENTELER is a family business now owned by the fourth generation of the founding family. Founded in 1876 by Carl Benteler, today the company is owned by Hubertus Benteler Ges.m.b.H. and Dr. Ing. E.h. Helmut Benteler GmbH, each of which has a 50% share.

Hubertus Benteler (born 1946) was himself active in the management of the company for many years. In the early 1980s, he was the fourth generation of the Benteler family to become a member of the Executive Board. On January 1, 1991 Hubertus Benteler became Chairman of the Executive Board. For more than 26 years under his leadership, BENTELER expanded: New plants were added in Europe, Asia and America.

Hubertus Benteler moved from the Executive Board to the Supervisory Board in April 2017, passing on the responsibility for executive management of the Group to Ralf Göttel.

RALF GÖTTEL, CEO OF THE BENTELER GROUP

Ralf Göttel (born 1966) has been Chief Executive Officer (CEO) of the BENTELER Group since April 2017. He is responsible for Strategy and Mergers & Acquisitions; Human Resources, IT; Group Compliance & Board Affairs, as well as Communications & Marketing.

Ralf Göttel graduated from RWTH Aachen with a degree in engineering. His career began in 1991 when he started as a development engineer at a major automobile manufacturer. Since 2010, he has held various management positions with the BENTELER Group. From 2014 to 2017, he was Chairman of the Management Board of BENTELER Automobiltechnik GmbH, which he has again headed as CEO since August 2018 in addition to his role as Chairman of the Group's Executive Board.
