ADA (Australian Defence Apparel) is a leading innovator of cutting-edge uniforms and personal equipment specialising in complex user requirements from design to distribution.

As an integrated uniform solutions provider, we have long been providing expert assistance in a variety of industries. ADA is Australia's largest and primary manufacturer of garments for the Australian Military. Our commitment to combining textiles and technology to solve design problems also stems across Law-Enforcement, Healthcare, and Corporate industries.

Our purpose is to optimise and enhance the performance of those that wear our clothing. Our promise - to find a way forward with agility and skill.
