What we do

## Technology solutions – what we do

We're an Australian owned and operated [technology services](http://web.archive.org/web/20220312201245/https://www.unico.com.au/about-it-solutions/) <  
<http://web.archive.org/web/20220312201245/https://www.unico.com.au/about-it-solutions/>> provider making innovation simple.

Our talented teams develop new and improved technology solutions through software integration and digital transformation that help our customers solve their most complex business challenges.

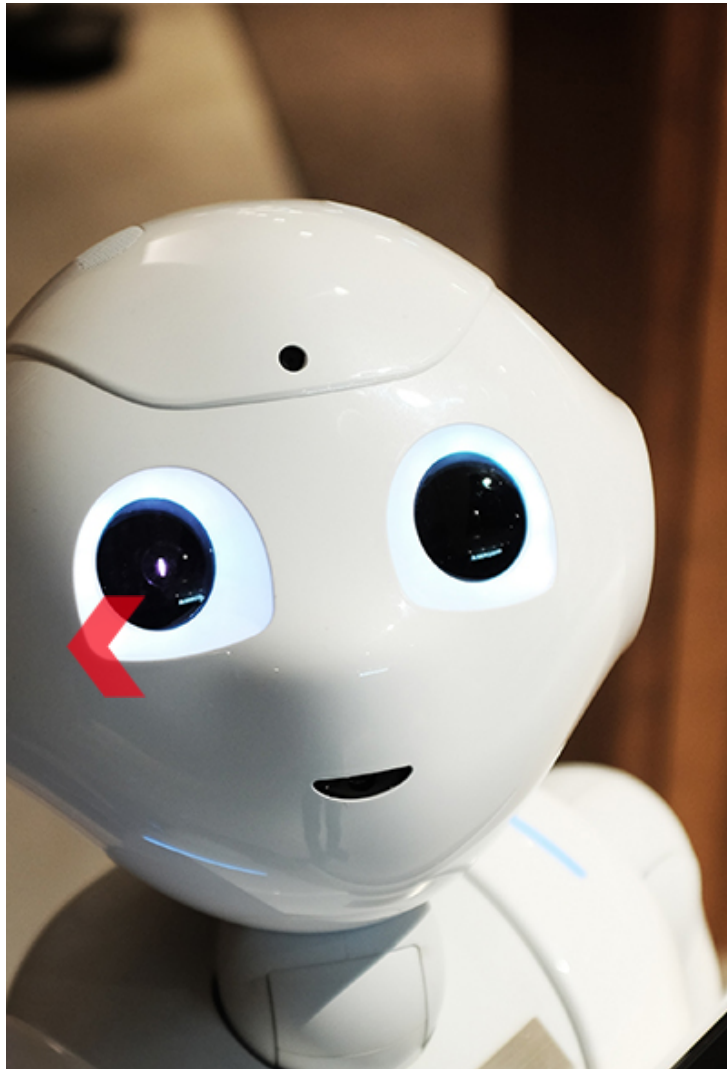

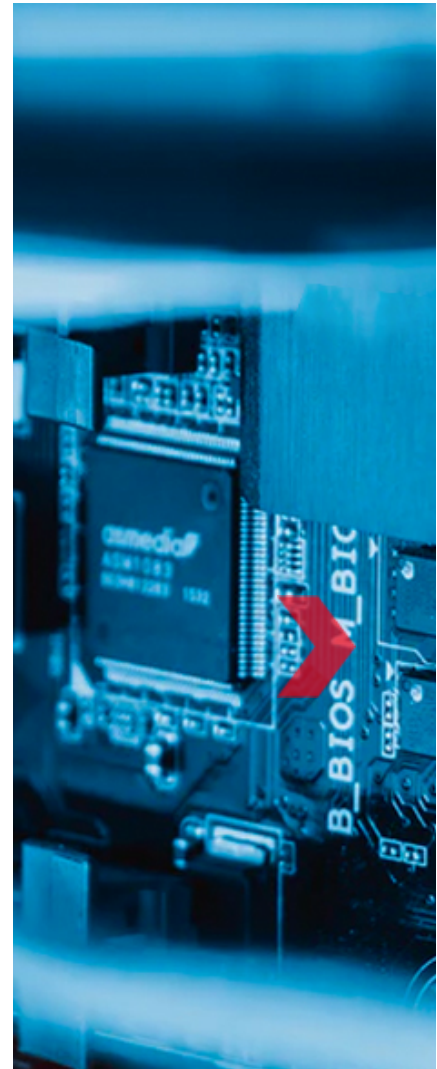

## Partner smarter. Innovate locally.

For over 35 years our technology solutions have been helping Australian organisations integrate technology into secure business processes and systems. Including, through mission critical data, software **[integration platforms < http://web.archive.org/web/20220312201245/https://www.unico.com.au/case-studies/integration-platform-citipower/>](http://web.archive.org/web/20220312201245/https://www.unico.com.au/case-studies/integration-platform-citipower/)** that enable our customers to make decisions in real time and adapt to change quickly.
