LASERSHAPE LIMITED

STRATEGIC REPORT

FOR THE YEAR ENDED 30 JUNE 2020

The directors present the strategic report for the year ended 30 June 2020.

Fair review of the business

In October 2019, there was a change of ownership and a new highly experienced management team installed. In December 2019, a strategic plan to focus the business on core deliverables, improve processes, address inefficiencies, and restructure the management team was developed.

The onset of the Covid pandemic impacted on the trading performance in the quarter ending June 2020, revenues c20% down on expectations, hence the consequential trading outcomes for the financial year were lower than anticipated, but given the circumstances, understandably so.

The Directors have subsequently undertaken a thorough review of the company financials and determined some significant adjustments to ensure a true reflection of the company performance in future years. We have adjusted for the following:

- valuation of the fixed asset base and adjusted through depreciation;
- disposal of unusable stock;
- write off the loan to LS Quality Finishing Limited; and
- numerous smaller housekeeping adjustments.

These adjustments total £994,939 and substantially affect the published figures but are viewed as one off essential accounting transactions which do not affect the working capital of the business.

Due to the disruption created by the pandemic, the company has submitted 2020 figures later than in previous years enabling us to preliminarily report that the performance to June 2021 will show significant improvement with revenues expected to show an increase of over 20% on 2020, and the business returning to profit.

The restructuring and refocusing of the business are now showing positive and robust results, consequentially bringing stability in a very uncertain economic period. The Directors are confident that the continued improvements, growth, and development of the business will be reflected in the financial performance over the coming years.

Principal risks and uncertainties

The directors have assessed the risks facing the company and do not see any significant change in the prevailing economic climate that will significantly impact the business.

Key performance indicators

The key performance indicators relevant to the company's performance are:

	2020	2019
Gross margin percentage	21%	23%
Net loss before tax	(£1,179,185)	(£137,103)
Return on capital employed	(18.1%)	2.3%

LASERSHAPE LIMITED

STRATEGIC REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

Financial risk management policies

Financial risks are reviewed regularly by the directors. All production machinery and equipment are sourced from and maintained by the most reputable suppliers to ensure reliability and efficiency. Credit terms with customers are closely monitored and stringently applied, and most of the customer debt is insured to minimise bad debt risk. The spread of revenue is over a large range of customers with no single customer exceeding 8% of total revenues. There is a very low proportion of revenue from exports hence foreign exchange has minimum risk.

The company looks forward to continued improvement over the coming year.

On behalf of the board

S J C Hateley

Director

30 June 2021

LASERSHAPE LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 30 JUNE 2020

The directors present their annual report and financial statements for the year ended 30 June 2020.

Principal activities

The principal activity of the company continued to be that of providing laser cutting, water cutting and folded metal solutions.

Results and dividends

The results for the year are set out on page 8.

No ordinary dividends were paid. The directors do not recommend payment of a final dividend.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

T R Leam	(Resigned 18 October 2019)
D C Hateley	
B M Hateley	
S J C Hateley	(Appointed 19 October 2019)
M L Pearson	(Appointed 20 October 2019)
A England	(Appointed 19 October 2019 and resigned 24 January 2020)
K M Watson	(Appointed 20 October 2019)

Auditor

The auditor, UHY Hacker Young, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

Energy and carbon report

As the company has not consumed more than 40,000 kWh of energy in this reporting period, it qualifies as a low energy user under these regulations and is not required to report on its emissions, energy consumption or energy efficiency activities.

LASERSHAPE LIMITED

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 30 JUNE 2020

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

On behalf of the board

S J C Hateley
Director

30 June 2021

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF LASERSHAPE LIMITED**

Opinion

We have audited the financial statements of Lasershape Limited (the 'company') for the year ended 30 June 2020 which comprise the statement of income and retained earnings, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE MEMBERS OF LASERSHAPE LIMITED

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE MEMBERS OF LASERSHAPE LIMITED

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

LASERSHAPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies

Company information

Lasershape Limited is a private company limited by shares incorporated in England and Wales. The registered office is Brailsford Way, Chilwell Meadows Business Park, Beeston, Nottingham, NG9 6DH.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position' – Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows' – Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues' – Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 33 'Related Party Disclosures' – Compensation for key management personnel.

The financial statements of the company are consolidated in the financial statements of Friar 146 Limited. These consolidated financial statements are available from Companies House.

1.2 Going concern

At the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT.

LASERSHAPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies

(Continued)

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer (usually on dispatch of the goods), the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

1.4 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leaschold land and buildings	Straight line over the life of the lease
Plant and equipment	10 - 25% straight line per annum
Fixtures and fittings	15 - 40% reducing balance per annum

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

1.5 Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

1.6 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Stocks held for distribution at no or nominal consideration are measured at the lower of cost and replacement cost, adjusted where applicable for any loss of service potential.

At each reporting date, an assessment is made for impairment. Any excess of the carrying amount of stocks over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss. Reversals of impairment losses are also recognised in profit or loss.

1.7 Cash at bank and in hand

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

LASERSHAPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies

(Continued)

1.8 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans and loans from fellow group companies, are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less.

1.9 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

LASERSHAPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies

(Continued)

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

1.10 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.12 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to profit or loss so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Rentals payable under operating leases, including any lease incentives received, are charged to profit or loss on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the leases asset are consumed.

LASERSHAPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies (Continued)

1.13 Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

1.14 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation in the period are included in profit or loss.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Turnover and other revenue

An analysis of the company's turnover is as follows:

	2020	2019

LASERSHAPE LIMITED**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 30 JUNE 2020****14 Debtors**

	2020	2019
	£	£
Amounts falling due within one year:		
Trade debtors	2,252,328	1,752,851
Amounts owed by group undertakings	1,702,856	2,223,470
Other debtors	142,392	295,827
Prepayments and accrued income	129,208	137,329
	<u>4,226,784</u>	<u>4,409,477</u>
Deferred tax asset (note 19)	29,314	-
	<u>4,256,098</u>	<u>4,409,477</u>

Included within trade debtors are balances totalling £1,672,091 (2019 - £1,660,403) which are subject to invoice discounting arrangements. The trade debtor balances have been transferred to the counterparty, though the transaction does not qualify for derecognition on the basis that the late payment / risk reward is retained by the company. The associated liability recognised in creditors amounts to £748,326 (2019 - £1,228,472).

15 Creditors: amounts falling due within one year

		2020	2019
	Notes	£	£
Bank loans and overdrafts	17	755,682	1,228,473
Obligations under finance leases	18	314,471	536,125

LASERSHAPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

18 Finance lease obligations

(Continued)

Finance lease payments represent rentals payable by the company for certain items of plant and machinery.

19 Deferred taxation

The following are the major deferred tax liabilities and assets recognised by the company and movements thereon:

	Liabilities	Liabilities	Assets	Assets
	2020	2019	2020	2019
Balances:	£	£	£	£
Accelerated capital allowances	-	81,601	(18,741)	-
Tax losses	-	(31,410)	46,236	-
Short-term timing differences	-	(1,627)	1,819	-
	<u>-</u>	<u>48,564</u>	<u>29,314</u>	<u>-</u>
	<u><u>-</u></u>	<u><u>48,564</u></u>	<u><u>29,314</u></u>	<u><u>-</u></u>
				2020
Movements in the year:				£
Liability at 1 July 2019				48,564
Credit to profit or loss				(77,878)
				<u>-</u>
Asset at 30 June 2020				(29,314)
				<u><u>-</u></u>

20 Deferred grants

Subject to meeting the monitoring arrangements on a quarterly basis until 31 March 2022, the company has met the terms of the grant claim at the balance sheet date.

LASERSHAPE LIMITED**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2020****21 Retirement benefit schemes**

	2020	2019
Defined contribution schemes	£	£
Charge to profit or loss in respect of defined contribution schemes	52,715	45,585
	<u>52,715</u>	<u>45,585</u>

The company operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the company in an independently administered fund.

At the balance sheet date, pension contributions of £13,202 (2019 - £23,457) were due from the company.

22 Share capital

	2020	2019	2020	2019
Ordinary share capital	Number	Number	£	£
Issued and fully paid				
Ordinary shares of £1 each	3,400	3,400	3,400	3,400
	<u>3,400</u>	<u>3,400</u>	<u>3,400</u>	<u>3,400</u>

23 Reserves**Capital redemption reserve**

This reserve records the nominal value of shares repurchased by the company.

Profit and loss reserve

This reserve records retained earnings and accumulated losses.

24 Operating lease commitments**Lessee**

At the reporting end date the company had outstanding commitments for future minimum lease payments under non-cancellable operating leases, which fall due as follows:

	2020	2019
	£	£
Within one year	644,762	383,300
Between two and five years	1,967,625	1,303,123
In over five years	384,956	630,246
	<u>2,997,343</u>	<u>2,316,669</u>
