### Thank you to everyone who made the 26th Annual Flying 40 Awards a success!

For over 25 years, the Flying 40 Awards have recognized locally owned and operated tech companies that are diversifying the local economy and creating a brighter future for New Mexico. The 2023 Flying 40 Awards were held on September 7, 2023 as part of the New Mexico Tech Summit. Congratulations to all of our award winners and be on the lookout to nominate your company in 2024!
