AMETEK Acquires United Electronic Industries

September 6, 2023 at 8:00 AM EDT [PDF Version](#)

BERWYN, Pa., Sept. 6, 2023 /PRNewswire/ -- AMETEK, Inc. (NYSE: AME) today announced the acquisition of **United Electronic Industries (UEI)**, a leading provider of data acquisition and control solutions for the aerospace, defense, energy and semiconductor industries.

UEI specializes in the design and manufacture of high-performance test, measurement, simulation and control solutions that enable customers to build smart, reliable, flexible and rugged systems. The company's products are used in a variety of mission critical applications, including flight simulation and training, machine health and usage monitoring, and automated testing.

"We are excited to welcome **United Electronic Industries** to the AMETEK family," said David A. Zapico, AMETEK Chairman and Chief Executive Officer. "UEI is an excellent strategic fit with our Power Systems and Instruments Division. Their innovative solutions nicely complement our existing testing and data acquisition expertise helping broaden our presence serving attractive market segments and applications."

UEI is headquartered in Norwood, Massachusetts and has annual sales of approximately \$35 million. UEI will join AMETEK as part of its Electronic Instruments Group (EIG) - a leader in advanced analytical, monitoring, testing, calibrating and display instrumentation.

Corporate Profile
