LETTER FROM CHAIRMAN AND MANAGING DIRECTOR

Dear Shareholders,

It is my privilege to communicate with you through my first letter after taking over. My heartiest greetings to all of you. I am delighted to share this 36th Annual Report of the Company giving insights into the performance and achievements of the Company during 2023-24 and its plans going forward.

During the year, the global uncertainty stemming from adverse geopolitical developments remained elevated. As per the World Economic Outlook April 2024 from International Monetary Fund (IMF), the global economy registered a growth of 3.2 per cent in 2023 though marginally lower than 3.4 percent in 2022. Despite the global challenges, the Indian economy carried forward the momentum it built in previous year into FY 2023-24. The focus on maintaining macroeconomic stability ensured that external challenges had minimal impact on our economy. India continues to be an outlier in terms of growth as its GDP grew by a robust 8.2% driven primarily by strong growth in investments, manufacturing and government spending.

In the backdrop of international supply chain vulnerabilities caused by geopolitical instability, it is comforting to note that your company has delivered robust performance on all fronts during the year. It has handled 4.72 million TEUs with an increase of 8.23% over the previous year. Gross revenue earned was Rs.9010 crores with an increase of 6.9% over previous year driven by a surge in container handling and transportation volumes. The net profit was Rs.1230.79 crores with an increase of 5.2% over previous year reflecting our focus on operational efficiency and cost optimization. The throughput, revenue and net profit achieved by the Company were highest ever in any financial year.

The Company has rewarded its shareholders by paying dividend every quarter. During the year three interim dividends totalling to 180% (Rs.9.00 per share) were paid and a final dividend of 50% (Rs.2.50 per share) has been recommended. The total dividend for the year would be Rs.700.69 Crores which would be 56.93% of the net profit. The market capitalization of the Company at the end of the year was Rs.53,746 crores.

The company is fully convinced about the long term sustainable economic growth of our country fostering bright prospects for logistics sector which is vital for trade and commerce. Therefore, the Company is continuing with the strategy of expanding its infrastructure and entering into new alliances. The capital expenditure incurred on development/ expansion of terminals, acquisition of wagons, handling equipments and IT infrastructure during the year was Rs.745 crores. Three new terminals at Jajpur, Kodakola and Paradeep were developed during the year. To promote Atmanirbhar Bharat in container manufacturing, orders were placed on domestic manufacturers who are now supplying containers for Company's business needs. The Company with its strong capabilities in the form of network of 66 Terminals; 16,997 wagons; 44,492 Containers; 108 RSTs etc. is well poised to achieve its objectives and retain its leadership position in the industry.

The Government of India is creating infrastructure in a big way with massive investment in the Railways and Road sectors. This will ensure supply chain efficiency and is likely to reduce logistics costs in the country. Indian Railways as a mode of transport can play an important role in lowering the logistics cost as it is significantly cost and time efficient over medium to long distances. With the thrust on investment in infrastructure in the union budget, Rs.11 lakh crores which is 3.4% of the GDP, has been allocated towards capital expenditure in which Rs.2.55 lakh crore is for Railways. This reflects Government's resolve to develop a world-class logistics ecosystem in the country that can support growing trade. The National Logistics Policy (NLP) is a great enabler helping in streamlining the processes for seamless coordination. The Gati Shakti Cargo Terminal policy of Indian Railways for multi-modal connectivity has promoted private investment in cargo terminal development.

The Government's clear focus on infrastructure development, productivity linked incentives, digital connectivity and improving the ease of doing business and a stable policy environment will play a significant role in driving

India's rise as a global supplier of goods and services. Aided by various initiatives of the Government, India's rank in Logistics Performance Index (LPI) of World Bank has jumped 6 places to 38 out of 139 countries.

Your Company is steadily marching ahead on the path of growth with its mantra of **'Think Logistics Think CONCOR'**. The strategy is focused on setting up Multi Modal Logistics Parks (MMLPs) along Dedicated Freight Corridors (DFCs), increase in double stack haul of containers, value added services, innovative use of technology, expanding warehousing business, venture internationally, development of Rail Transshipment Hubs (RTH), operating State-of-the-Art Warehouses under PPP mode, movement of Bulk Cement in Tank Containers, storage and transportation of Liquid Cargo, etc.

The Company has taken a significant leap towards sustainable logistics by signing MOUs with IOCL & IGL, aiming to mutually explore opportunities in the use of LNG as fuel. The Company is now enhancing its First Mile and Last Mile (FMLM) service capability by adding 200 Liquified Natural Gas (LNG) Trucks to its fleet of 100 Trucks. The green logistics initiatives of the Company include deployment of LNG trucks and setting up solar based infrastructure at various terminals. Keeping in pace with the dynamics of the logistics industry, your company has also adopted various technological advances in logistics such as digital solutions in operations, launch of logistics apps, adoption of ice-battery technology in cold chain logistics, AI based Terminal management contributing towards enhanced productivity, customer centric services and logistics efficiency.

The HR strategy in the organisation promotes diversity, equality and inclusivity taking care of the health and safety needs of its employees who are working relentlessly towards achieving the mission and objectives of the company. They are imparted necessary training for skill upgradation thereby updating them with the changing requirements of the business. The work culture is open and dynamic enabling employees to take initiative in jobs with active support of the top management. The process of development of HR delivery mechanism has been democratized by providing accessibility to all employees to HRMS and Mobile Apps based HR applications ushering an era of developing digital mind-set within the organisation.

The Corporate governance, transparency and ethics have been fundamental pillars of your Company's success. As testimony to this, the Company has been rated outstanding by DPE on Corporate Governance parameters and it has received "NIL" comments from Comptroller & Auditor General of India (CAG) on the financial statements of the year 2023-24. The CSR activities of the Company are inter-alia focused on education, skill development, environment sustainability, sports and infrastructure development. Through its initiatives under CSR, it has impacted positively the lives of a large number of beneficiaries in the country and the work done by it has been appreciated by the stakeholders.

To conclude, I express my sincere appreciation to my fellow Board members for their valuable inputs and guidance. I am grateful to our shareholders for their trust in the management. I also thank Ministry of Railways, Department of Customs (Ministry of Finance), Central and State Governments, Value Chain partners, Customers, Regulators, etc., for their encouragement and support. I would like to place on record my appreciation for team CONCOR for their outstanding performance and with their commitment and talent, the Company is well positioned to achieve new pinnacle of success in future.

My best wishes to you and your family members !

ISO Certification is available for most of the units of the Company. Disaster Management System has been hosted on CONCOR website. Further, in its endeavor to maintain high standards of quality, your Company has been taking various steps, which includes conducting periodical Management Review Meetings, wherein various actions were taken with regard to Disaster Management, Safety Norms and Quality Standards.

JOINT VENTURES/ SUBSIDIARIES:

Your Company continued to place emphasis on providing total logistics and transport solutions to its customers by exploring the possibilities of expanding the presence of the Company in all segments of Logistics value chain in the EXIM as well as Domestic segments. Strategic alliances firmed up, both for optimal utilization of infrastructure as well as expansion into other segments of the value chain for effectively achieving the goals.

Your Company has formed various Subsidiaries/ Joint Ventures Companies for different business areas such as Container Freight Station (M/s Star Track Terminals Pvt. Ltd., M/s Transworld Terminals Dadri Pvt. Ltd., M/s CMA-CGM Logistics Park (Dadri) Pvt. Ltd. and M/s Allcargo Logistics Park Pvt. Ltd.), Port Operations (M/s India Gateway Terminal Pvt. Ltd. and M/s Gateway Terminals India Pvt. Ltd.), End to End Logistics (M/s TCI CONCOR Multimodal Solutions Pvt. Ltd.), Multi Modal Logistics Parks (MMLP) (M/s Punjab Logistics Infrastructure Ltd. and M/s SIDCUL CONCOR Infra Company Ltd.) and Rail connectivity (M/s Angul Sukinda Railway limited).

Brief particulars about the subsidiaries of the Company are as under:

SIDCUL CONCOR Infra Company Limited
SIDCUL CONCOR Infra Company Ltd. (SCICL), a Joint Venture Company (JVC) with shareholding of 74% and 26% of Container Corporation of India Limited (CONCOR) and State Infrastructure & Industrial Development Corporation of Uttarakhand Ltd. (SIIDCUL) respectively has been operating a Multimodal Logistic Park (MMLP) at Pantnagar, Uttarakhand and is doing operations in both the stream i.e. EXIM and Domestic.

MMLP- Pantnagar is strategically located near national highway No. 87 and it has wide hinterland covering industrial areas like Pantnagar, Haldwani, Bazpur, Gadarpur, Kichha, Sitarganj, Khatima, Lalkuwa, Bareilly etc. The MMLP provides Rail/Road transportation, Handling and warehousing services to EXIM and Domestic customers and is also providing facility of handling conventional railway wagons like NMG, BCN, BOXN, etc. as a notified PFT. The facility provides Rail connectivity to/from three gateway ports i.e. Mundra & Pipavav in Gujarat and JNPT in Mumbai. In domestic segment, MMLP is providing services on pan India basis in general and particularly to Mumbai/ Dronagiri/ Gandhidham in West, Hyderabad/ Chennai and Bangalore in south and Shalimar (Kolkata) in East. In addition to the above it is also providing “First Mile Last Mile” road transportation services for its customers. In addition to the transportation service, the MMLP is also providing warehousing facility for domestic and EXIM customers along with facility of Bonded & Transit warehousing.

During FY 2023-24, SCICL handled 607 rakes which were 522 rakes in FY 2022-23. The total containers handled at MMLP, Pantnagar for the said period were 41,172 TEUs which was 37,603 TEUs in FY 2022-23 and its revenue from business operations for the FY 2023-24 was Rs.20.51 crores. The company’s net profit after tax rose to Rs.5.51 crore in FY 2023-24 which was Rs.1.61 crores in FY 2022-23. i.e. an increase of 242% in FY 2023-24.

The JVC is doing well and is emerging as a major logistics service provider for rail logistics for the rapidly industrializing State of Uttarakhand**.**

Punjab Logistics Infrastructure Limited

Punjab Logistics Infrastructure Limited (PLIL) is another JVC of your company in which Punjab State Container and Warehousing Corporation Limited (CONWARE) is the Joint Venture (JV) partner of 49% and 51% equity is held by CONCOR. This Company has developed a MMLP in the State of Punjab facilitating trade and industry of the State and putting them on International map.

During the financial year 2023-24, PLIL achieved turnover of Rs.39.09 crores as compared to Rs.38.15 crores during the previous financial year 2022-23, which shows an increase of 2.46% in the revenue from the operations. The total expenditure increased by 0.33% from Rs.38.93 crores to Rs.39.06 crores during the financial year 2023-24.

Profit before tax during the year under review i.e. FY 2023-24 stood at Rs.0.19 crores as compared to loss before tax for Rs.0.63 crores during the previous financial year 2022-23, which shows an improvement by 130%. The profit after tax during the FY 2023-24 stood at Rs.0.14 crores as compared to the loss after tax for Rs.0.91 crores during the previous FY 2022-23.

The above two Companies i.e. SCICL & PLIL are also subsidiaries of your Company as it is holding majority of shares in these companies.

While the existing Joint Ventures continued to perform to their full potential contributing to the growth of the core business of CONCOR, new strategic alliances are also explored from time to time.

In previous years, CONCOR had explored the possibility of merger of its subsidiary companies, i.e., M/s. CONCOR AIR Ltd. (CAL), M/s SIDCUL CONCOR Infra Company Ltd. (SCICL) and M/s Punjab Logistics Infrastructure Ltd. (PLIL) with itself. The Board of Directors of the Company had earlier approved scheme of amalgamation of CAL with CONCOR, which was subject to necessary approvals and agreement/consent of concerned stakeholders. The Board of Directors of CAL, considering the viability of future prospects of continuing its operations for the remaining period of the concession had amicably settled the concession with MIAL. In view of this development and considering emerging business opportunities in the air cargo business, the Company is not moving ahead at this stage with the proposed scheme of amalgamation/ merger of CAL into CONCOR.

For the amalgamation of SCICL and PLIL, the company was in discussion with the partners in these companies namely SIIDCUL and CONWARE respectively for their consent for same. However, there is not much progress on it till now. Therefore, at this stage the Company is no longer pursuing it with these partners.

WHOLLY OWNED SUBSIDIARIES:

Fresh & Healthy Enterprises Ltd.

CONCOR had incorporated M/s. Fresh & Healthy Enterprises Ltd. (FHEL) in the year 2006 as its wholly owned subsidiary to create world class cold storage infrastructure in the country, to provide complete cold chain logistics solutions to the various stakeholders in this field.

Due to changed business dynamics with implementation of Goods and Service Tax (GST), customized storage requirements, intense competition with un-organized sector, it had been decided in the year 2018 to Re-engineer its facility at Rai, Sonepat (Haryana) in two phases for development as an Agri-logistics Centre with changed business model of leasing/renting out the warehousing space for Cold Storage, Controlled Atmosphere (CA) storage and Custom Bonded Warehousing (CBW) to interested parties.

Under Phase-I of Re-engineering Plan, the existing CA (Controlled Atmosphere) facility was modified with infusion of Rs.15.10 crores by CONCOR, to make it more versatile and suitable for storage of variety of products apart from Apple. Further, two new warehouses (30,160 sq. ft. each) were constructed under Phase-II with

investment by CONCOR of Rs.12.02 crores. FHEL has leased out these two warehouses on mutually agreed terms for a period of 10 years.

The financial year 2023-24, has been mixed year for business especially for Imports of fresh fruit cargo in Delhi-NCR area. Despite all the hardships, the facility was running throughout the year. FHEL achieved turnover of Rs.7.83 crores in the financial year 2023- 24. Further, during the year, Company increased its customer base from 254 to 282 clients and also increased the range of products being stored. As on 31.03.2024, 56 Chambers (6- Custom Bonded, 27- Chillers and 23- CA) were rented out for storage of Apple, Dates, Almonds, Walnuts, Beer, Malta etc.

During the year under review, total income of Company increased from Rs.6.13 crores in FY 2022-23 to Rs.8.02 crores in FY 2023-24. The increase is on account of capturing additional customs cleared imported fruits where the cargo turnaround is faster, resulting in higher handling revenue in CA Store and revenue realization from leasing of Phase-2 warehouses. FHEL earned its maiden net profit of Rs.0.63 crores during FY 2023-24 in leasing/warehousing business model as against net Loss of Rs.2.57 crores, incurred during previous financial year 2022-23.

CONCOR Air Ltd.

In order to expand its span of operations and make its presence felt in Air cargo business with a view to establish itself in this Industry, CONCOR had formed CONCOR Air Ltd. (CAL) in the year 2012. It was formed mainly to carry out its business under a concession agreement entered with Mumbai International Airport Limited (MIAL). It is 100% subsidiary of CONCOR and has an authorised share capital of Rs.50 crores.

CONCOR Air Ltd. has made its presence felt at Chatrapati Shivaji Maharaj International Airport in the field of domestic and international air cargo related activities by entering into concession agreements with Mumbai International Airport Ltd. (MIAL). CONCOR has made an Investment of Rs.36.65 crores in the Company and till the end of year 2024, it has already received total returns in the form of dividends and professional Income totalling to Rs.69.32 crores from it. Further, it has gained valuable experience in the aircargo field which will be useful in its future endeavours.

In previous years, due to continued uncertainty in the business mainly on account of new guidelines of the Bureau of Civil Aviation Security (BCAS), Regulatory Body of the Aviation Sector for complying with the guidelines pertaining to Regulatory Agent, possibility of diversion of business due to privatization of Air India to Tata Group, anticipated merger of Air Asia and Vistara with Air India and delay in hike in the tariff from regulatory agency Airports Economic Regulatory Authority (AERA) which may entail loss to the organization till notification of new revised tariff, etc., CAL decided to mutually settle the domestic concession it has with MIAL w.e.f. 01.04.2022. However, as per agreed terms CAL continued same business activities of SACT on hand holding basis for the year 2022-23. All the Assets of the CAL were transferred to MIAL at Book Value and the business and operations were run on Cost plus basis during FY 2022-23.

In the current financial year 2023-24, CONCOR Air Ltd has no operating Business activities and currently it is in the process of exploring the opportunities for capturing new business tie-up in India in the field of Air-cargo handling/warehousing business either in domestic or international or both. During the year its income mainly comprising of interest earned from deposits and write back of provisions was Rs.3.21 crores and it earned a net profit of Rs.3.13 crores.

ENERGY CONSERVATION AND TECHNOLOGY ABSORPTION:

The following steps/plans are taken towards energy efficiency:

1. Provision of LED Lights: CONCOR is providing LED lights in all its new projects as well as replacing the high-pressure Sodium Vapour Lamps with LED in the existing terminals on priority basis. This includes provision of

LEDs in High Masts as well as other places. Earlier Sodium Vapour Lamps were used in high masts, wherein 01 high mast consist of 36 Lamps of each 400W i.e. totalling to 14400W. After using of LED, 01 high mast consist of 18/12 Lamps of each 300W i.e., totalling to 5400W. In warehouses & on Road pole lights earlier Sodium Vapour Lamps/Metal halide lamps were used, wherein 01 HPSV lamp wattage 200 watt. After using of LED, 01 Lamps wattage is 100/80 watt, hence each lamp saving is 120 watt. This enables huge electricity savings.

Details of led lights replaced with their equivalent old conventional lights are:-

- 300 watt led light in place of Sodium vapour 400 watt light – 702 nos
- 100 watt led light in place of Sodium vapour 200/250 watt light - 325 nos
- 80 watt led light in place of Sodium vapour 200/250 watt light - 350 nos
- 36 watt led panel light in place of 2*40 watt old tube light – 218
- 20 watt led light in place of 1*40 watt old tube light – 808

2. Provision of Solar Power Systems: Provided 25 kW solar power systems at Jaipur Container Depot and also in process of provision of isolated lights arrangement with Solar at various terminals.

3. Procurement of Star Rating Air conditioners and fans: Procured 24 nos Air Conditioners and 30 nos. ceiling fan with Star Ratings to save electricity consumption.

4. Provision of day lighting in all Warehouses/ Industrial Sheds: Installed transparent sheets in some roof portions in all warehouses/Industrial Sheds, so that there will be no need of electricity light in day time.

5. Light Sensors in Corporate Office: Installed light sensors in the cabins at its Corporate Office. This also help in savings of electricity.

6. LNG Trucks: To reduce the air pollution, placed order for procurement of 130 Nos. LNG Trucks along with 40' flatbed Trailers out of which 75 Nos. LNG Trucks were received during FY 2023-24.

RESEARCH & DEVELOPMENT (R&D):

To reduce pollution by using of Green Fuel: -

In the recent past, NCT area witnessed high level of Air pollution in the winter months every year from around September onwards due to the range of factors including stubble burning in neighbouring states and vehicular traffic leading to huge pollution in the NCT area. Heavy Vehicles accounts for larger chunk of PM 2.5 pollution to the overall vehicle emissions.

Keeping in view of huge pollutions in winter, Ministry of Environment, Forest & Climate Change and various authorities monitoring the pollution in the NCT area, a slew of measures, including a ban on entry of trucks and plying of diesel-fuelled Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs) within Delhi's limits, was declared by the authorities from time to time, which affects the business of CONCOR also.

However, during this period, movement of MGV's & HGV's were allowed in Delhi which were using green fuel Like, LNG, CNG & e-vehicle.

In view of the serious issues of pollution and their effects, CONCOR has placed the order for procurement of 130 Nos. LNG Trucks along with 40' flatbed Trailers.

Developmental order of ISO containers under Make in India:-
Under Make in India Atma Nirbhar Bharat Scheme of Govt. of India CONCOR has placed an order of 16,640 containers to the Indigenous manufacturers and 8,293 containers have been supplied against these orders.

RISK MANAGEMENT:

As per the requirement of SEBI (LODR) Regulations, 2015, the Company is having a Board level Risk Management Committee. The particulars of Committee, its terms of reference, meetings held, etc. are stated in the Corporate Governance Report forming part of this Report. The Company has a well laid down Risk Management (RM) system to identify, evaluate risks and opportunities. The said system seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The risk management system defines the risk management approach across the enterprise in various business activities. The RM structure has different risk models which help in identifying risk trends, exposure and potential impact analysis at Company level and also separately for business segments. It forms an integral part of the Company's functioning and the Board of Directors are being regularly apprised about the status of various risk elements and the mitigation plans for the same.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

CONCOR's Internal Control Systems are commensurate with its size, scale and complexity and nature of its business activities. Internal audit constitutes an important element in overall internal control systems of the Company. The scope of work of the internal audit is well defined and is very exhaustive to cover all crucial functions and businesses of the Company. The internal audit in the Company is carried out by the independent professional firms appointed for this purpose.

The respective department of the Company monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies. Based on the report of internal auditors, necessary steps are taken at regular intervals to further strengthen the existing systems and procedures. The significant observations of internal auditors and corrective actions thereon are presented to the Audit & Ethics Committee of the Board at regular intervals. In addition, the implementation and effectiveness of internal financial controls during 2023-24 was also reported by the internal and statutory auditors of the Company.

PARTICULARS OF EMPLOYEES:

As per provisions of section 197 of the Companies Act, 2013 read with the Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, every listed company is required to disclose the ratio of the remuneration of each director to the median employee's remuneration and such other details as may be prescribed in the Directors' Report. However, as per Notification No. GSR 463(E) dated 5th June, 2015 issued by the Ministry of Corporate Affairs, Government Companies are exempted from complying with provisions of section 197 of the Companies Act, 2013. Therefore, CONCOR being a Government Company, such particulars are not included as part of Directors' Report.

AUDITORS:

Being a Government Company, the Comptroller & Auditor General (C&AG) of India had appointed Company's Statutory Auditors for the financial year 2023-24. M/s. Hem Sandeep & Co., Chartered Accountants were appointed as Company's Statutory Auditors for the year 2023-24. - Shri Rajesh Pathak, Govt. Nominee Director [DIN: 10259788] (w.e.f. 11.09.2023 upto 21.03.2024)

In terms of provisions under SEBI Regulations and DPE guidelines, CONCOR being a listed Company and having an executive Chairman, 50% of its Board of Directors should comprise of independent Directors. However, the company was not having requisite number of Independent directors during the year. The Secretarial Auditor has also given observations in this respect in their report. In this respect, as Directors on the Board are appointed by Government, CONCOR had regularly requested Ministry of Railways for appointment of requisite number of independent directors to comply with the applicable requirements under SEBI (LODR) Regulations, DPE Guidelines and Companies Act and the same was also informed to Stock Exchanges.

RETIREMENT OF DIRECTORS BY ROTATION:

As per the Companies Act, 2013 the provisions in respect of retirement of Directors by rotation will not be applicable to Independent Directors. In view of this, no Independent Director is considered to be retiring by rotation but all other directors will be retiring by rotation. Accordingly, one third among all other directors namely Shri Ajit Kumar Panda, Director (Projects & Services) and Shri Mohammad Azhar Shams, Director (Domestic Division) are liable to retire by rotation and being eligible, offer themselves for reappointment.

EVALUATION & REMUNERATION:

As per provisions of Section 134(3)(p) of the Companies Act 2013, the Board's Report of a Listed Company shall include a statement indicating the manner of formal annual evaluation of Board, Committees & Individual Directors etc. Ministry of Corporate Affairs has vide its notification dated 5th June, 2015 notified the exemptions to Government Companies from the provisions of the Companies Act, 2013 which inter-alia provides that Section 134(3)(p) regarding statement on formal annual evaluation shall not apply to Government Companies in case the Directors are evaluated by the Ministry which is administratively in-charge of the company as per its own evaluation methodology. Further, it has been provided that the provisions of Sub-Sections (2), (3) & (4) of Section 178 regarding appointment, performance evaluation and remuneration shall not apply to Directors of Government Companies.

In terms of notification dated 05.07.2017 issued by MCA the provisions in Schedule IV of the Companies Act, 2013 about reviewing the performance of Chairperson and non-independent directors and the Board as a whole by the Independent Directors in their separate meeting and that on the basis of performance evaluation of Independent Directors, it shall be determined whether to extend or continue their term of appointment shall not apply to a Government Company if the requirements in respect of same are specified by the concerned Ministries or Departments of the Central Government and such requirements are complied with by the Government Companies. In view of above, since the appointment of all Directors in the Company is decided by the Govt. of India, the requirement related to evaluation of directors as stated in Schedule-IV are not applicable to CONCOR.

Similarly, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 also provides that the Nomination and Remuneration Committee to formulate the criteria for evaluation of performance of independent directors and the board of directors, evaluation of independent Directors to be done by the Board of Directors and the independent directors in their separate meeting inter-alia to review the performance of Chairperson, non-independent directors and the board of directors as a whole. Since CONCOR is a Government Company, which is exempt under Companies Act so from similar provisions, the Company has also sought exemption from SEBI regarding applicability of above SEBI (LODR) provisions to it.

On perusal of the above provisions, it can be concluded that there is no requirement for evaluation of Board, Non-Independent Directors, Chairperson and Independent Directors under Companies Act, 2013. For the evaluation of all the Directors in a Government Company, the Government has already laid down the procedure, which is being followed.

The above provision applicable for evaluation of the Chairperson/Directors/Board, were placed before the separate meeting of the Independent Directors in its meeting held on 14th March, 2024. In the said meeting the Directors have taken note of the provisions and stated that being a Government Company the Directors performance may continue to be reviewed by the Government in the same manner as is being done every year, hitherto. The Independent Directors have also placed on record their appreciation for the Chairman and Managing Director, functional Directors as well as the entire CONCOR team for their sustained efforts during this difficult year for trade.

Similarly, the above provision applicable for evaluation of the Chairperson/ Directors/ Board and statement in board report, were placed before the Board of Directors in its 240th meeting held on 08.08.2024. In the said meeting the Board has taken note of the same and have reiterated that being a Government Company the performance of Chairman/ Directors may continue to be reviewed and evaluated by the Government in the same manner as is being done every year, hitherto. The Board also placed on record its appreciation for the contribution being made by the Independent Directors.

The selection, evaluation criteria and the remuneration guidelines which are being followed in the Company are elaborated as under:

CONCOR is a Government Company under the administrative control of Ministry of Railways. The selection procedure for all the directors is also laid down by the Government of India and all the directors of the company have been appointed in accordance with the said procedure. The functional directors including CMD are selected on the recommendations of PESB in accordance with the procedure and guidelines laid down by Govt. of India. Its Board of Directors are appointed by Government of India and there is system and procedure laid down by Department of Public Enterprises for evaluation of its functional directors including Chairman and Managing Director. The evaluation framework for assessing the performance of functional directors comprises of the following key areas:

- Performance of the company under the MOU signed with Ministry of Railways.
- Performance with respect to the targets fixed for the respective director.

The evaluation includes self-evaluation by the respective board member and subsequent assessment by CMD for the functional directors and thereafter final evaluation by the Ministry of Railways, the Administrative Ministry. In

respect of CMD the evaluation includes self-evaluation and final evaluation by the Ministry of Railways. In respect of Government nominee directors their evaluation is done by the Ministry of Railways as per the laid down procedure.

The induction of officers at below board level is made by way of recruitment, promotion and/or lateral entry by way of deputation/immediate absorption of the officials from Ministry of Railways, Govt. Departments and other PSUs.

The performance of below Board Level Officials at Group General Manager and Executive Director Grades is evaluated on the basis of criteria laid down by DPE in which the achievement of MOU targets as approved by Administrative Ministry and DPE is given due weightage.

CONCOR follows a robust Performance Management System (PMS) in compliance with the DPE instructions for evaluation of performance of its officials in Sr. General Manager and below grade. Format for evaluation comprises broad parameters for assessment of personal traits of the officials and contribution towards performance of the organization. The Key Result Areas (KRAs) are proposed by the appraisee and approved by appraiser in the beginning of the year which is subject to mid-year review for further modification/improvement, if any. For the payment of Performance Related Pay (PRP) as per DPE guidelines/instructions, the performance rating of an individual officer is considered.

The major part of Salary administration has been followed in accordance with Department of Public Enterprises (DPE), guidelines on salary structure for Board Level Executives and as well as Below Board Level Executives and Non-unionised Supervisors. These are adopted by CONCOR with the approval of Board of Directors and Presidential directive issued thereof by the Ministry. In respect of unionised workmen, salary and allowances are settled through collective bargaining and settlement thereof under Industrial Disputes Act 1947.

The Nomination and Remuneration Committee of the Board had taken note of the remuneration policy of the company and the procedure and policy for selection of the Directors, Senior Management and their evaluation/remuneration and also the evaluation criteria being followed for the evaluation of Chairman/Directors by the Government, Ministry of Railways (Government of India).

RELATED PARTY TRANSACTIONS:

The related party transactions that were entered into during the year were on an arm's length basis and were in the ordinary course of business. Omnibus approval of the Audit & Ethics Committee is being taken for the related party transactions which are of foreseen and repetitive nature. The transactions entered into pursuant to the omnibus approval so granted are placed before the Audit & Ethics Committee and the Board of Directors on a quarterly basis. The policy on material related party transactions, as approved by the Board has been uploaded on the Company's website at https://concorindia.co.in/assets/pdf/party_transactions.pdf. Though there are no materially significant related party transactions entered by the Company, the particulars as required under section 134(3) of the Companies Act 2013 are as per **Annexure-E** to this report.

ADDENDUM-I TO THE DIRECTORS' REPORT FOR FY 2023-24

Management Replies to the Remarks in the Independent Auditor's Report on Standalone Financial Statements for FY 2023-24

Points in the Auditors' Report	Auditors' Remarks	Reply of the Management
Point no. (a) of Emphasis of Matter in Standalone Audit Report	Refer Note no. 30, 39 and 51, which describe payment of Land License Fee to Indian Railways for land leased to it on the basis of Company's assessment in line with Master circular dated 04.10.2022 issued by Railways and is not final. In view of the uncertainty of the lease terms, no Right of Use (ROU) has been assessed as required under Ind AS 116.	Indian Railways (IR), vide letter No. 2015/LML-II/13/4, dated 19.03.2020 informed CONCOR that w.e.f. 01.04.2020 license fee for Railway land licensed to CONCOR shall be charged as per extant policy of Indian Railways (IR). Accordingly, annual Land License Fees (LLF) at 6% of Land Value shall be applicable. However, prior to 01.04.2020, IR used to charge LLF from CONCOR on per TEU (Twenty-Foot Equivalent Units) basis. During FY 2023-24, in case of some terminals Divisional Railways have raised demand letters on CONCOR which are not as per the policy of IR, in terms of applicable Industrial land rates provided by land revenue authority, land area etc. The Company has taken up the matter with concerned divisional railways for resolving the issues. Further, the agreement based on revised policy of LLF, for any of 26 land parcels leased by IR to CONCOR has not been executed till date. Due to which, the Company is unable to identify and crystalise future cash flows with certainty which is the main requirement for determining the value of ROU Assets and corresponding lease liability for proper compliance with IND AS 116 (Leases). In view of above: (i) The Company has booked LLF to Indian Railways on the basis of its assessment and the same has been disclosed in Note 51 of the Standalone Financial Statements for FY 2023-24; and (ii) No Right of Use (ROU) & Lease Liability has been assessed as required under Ind AS 116 by the Company for such IR leased lands.

in CIDCO Complex at Aurangabad.

Freehold Land at Krishnapatnam:-

The sale agreement for the said land was executed with Andhra Pradesh Industrial Infrastructure Corporation (APIIC) on 21.03.2018. However, in-accordance with clause 3 of the sale agreement, which mentions that CONCOR should execute sale deed on implementation of project and going into commercial production. Therefore, the sale deed can be executed only upon the project implementation, which is under process.

Lease Hold Land at Nagulapalle:-

The Land at Nagulapalle was taken from South Central Railway (SCR) on lease by the Company. The Company has requested Zonal Railways for execution of lease deed, as per draft submitted by it and the matter is under Consideration of SCR.

Leasehold at SRO (Railway Quarter and Residential Flats)

The Company has requested Southern Railway (SR) to arrange for the formalities pertaining to leasing the 3 nos. residential flats (staff quarters) costing Rs.1.69 Crores. Original Agreement signed by DGM(C&O)/TNPM is handed over to Divisional Railway Manager Office, Works Branch. Signed copy from Railway is awaited, while the Company is regularly pursuing the matter with SR.

Leasehold at SRO (Regional Office Building)

The draft lease deed was prepared by Company and submitted to Zonal Railway for approval and the same is awaited. However, a letter dated 13.06.2023 has been received requesting CONCOR to vacate the premises (8th Floor). The matter is being taken up with Railways.

		connectivity from Mandir Hasaud (MNDH) yard shunting neck, in this connection the Railway land portion/Area of 12,086 Sqms was used for the connectivity purpose. As the connectivity was temporary one thus agreement could not be executed with Railways. In September 2022, the permanent connectivity has been made and connected with the newly commissioned Naya Raipur Railway Station. In this connection, to arrive an exact Railway area used by CONCOR, a joint survey has been carried out by Railways and CONCOR. Subsequently, Land Licensing Plan with revised land area of 12,598 sqms was submitted to IR for approval. Once the same gets approved, the agreement will be executed. **Lease Hold Land at Sanathnagar:-** CONCOR had taken on lease one of the parcel of railway land of 9.24 acres at ICD Sanathnagar. The agreement for such land is not executed yet. Continuous follow up is going up with Railways to finalise the draft agreement of lease at ICD/SNF. **Lease Hold Land at CTKR:-** The Land Lease Agreement with Syama Prasad Mookerjee Port Trust for 85,500 Sq. metres of land taken on lease at CTKR Terminal expired on 24-02-2019. CONCOR has requested and appealed to port authorities for 50% concession in lease rent but no formal decision has been received from their end. The execution of the lease deed will be taken up after the response of port authorities. **Lease Hold Land at Shalimar:-** CONCOR has taken a land on lease from South Eastern Railways measuring 15.01 Acres for a period of 30 years with effect from 01-02-1992.

		The Lease agreement expired on 31-01-2022 and pending for renewal as on the reporting date of the Balance Sheet. The lease agreement is pending on account of difference in the area of the land taken on lease as per South Eastern Railways and CONCOR. Once the issue in the area of land taken on lease is resolved, the lease agreement will be executed. **Lease Hold Land at Jharsuguda:-** CONCOR has taken a land on lease from South Eastern Railways measuring 2.142 Acres for a period of 5 years with effect from 26-08-2016. The Lease agreement expired on 25-08-2021 and pending for renewal as on the reporting date of the balance sheet. CONCOR has taken up the issue of non-execution of lease agreement with concerned Railways and awaiting necessary action from railways side. **Leased office Space at Shalimar Terminal:-** CONCOR has taken an Office Space on rent from South Eastern Railways measuring 285 Sq. feet in respect of which no lease agreement has been entered. South Eastern Railways has raised Office rent invoices which are not in consonance with the Railway board circular no.2010/LML/18/64 dated 11-07-2018. The Company has represented to revise the office rent invoice as per the said railway board circular. However, revised bill is awaited from railways. The execution of the lease agreement will be taken upon receipt of office rent invoice in accordance with the railway board circular dated 11-07-2018.

Management Replies to the Remarks in the Independent Auditor's Report on Consolidated Financial Statements for FY 2023-24

Points in the Auditors' Report	Auditors' Remarks	Reply of the Management
Point No. 1(a) of Emphasis of Matter in Consolidated Audit Report	Refer Note no. 33, 46 and 58, which describe payment of Land Licence Fee to Indian Railways for land leased to it on the basis of Company's assessment in line with Master circular dated 04.10.2022 issued by Railways and is not final. In view of the uncertainty of the lease terms, no Right of Use (ROU) has been assessed as required under Ind AS 116.	Indian Railways (IR), vide letter No. 2015/LML-II/13/4, dated 19.03.2020 informed CONCOR that w.e.f. 01.04.2020 license fee for Railway land licensed to CONCOR shall be charged as per extant policy of Indian Railways (IR). Accordingly, annual Land License Fees (LLF) at 6% of Land Value shall be applicable. However, prior to 01.04.2020, IR used to charge LLF from CONCOR on per TEU (Twenty-Foot Equivalent Units) basis. During FY 2023-24, in case of some terminals Divisional Railways have raised demand letters on CONCOR which are not as per the policy of IR, in terms of applicable Industrial land rates provided by land revenue authority, land area etc. The Company has taken up the matter with concerned divisional railways for resolving the issues. Further, the agreement based on revised policy of LLF, for any of 26 land parcels leased by IR to CONCOR has not been executed till date. Due to which, the Company is unable to identify and crystalise future cash flows with certainty which is the main requirement for determining the value of ROU Assets and corresponding lease liability for proper compliance with IND AS 116 (Leases). In view of above: (i) The Company has booked LLF to Indian Railways on the basis of its assessment and the same has been disclosed in Note 51 of the Standalone Financial Statements for FY 2023-24; and

		(ii) No Right of Use (ROU) & Lease Liability has been assessed as required under Ind AS 116 by the Company for such IR leased lands.
Point No. 2(a) of Emphasis of Matter	**Fresh & Heathy Enterprises Limited (FHEL)** The auditors of FHEL (a subsidiary of CONCOR) have reported that refer note no. 8(c) of their financial statements in respect of sundry debtors there is uncertainty related to the outcome of the lawsuit filed against various sundry debtors. The company has taken appropriate action in this respect.	All the parties mentioned in Note. No. 8(c) of the financial statements are sub-judice under legal proceedings and the same will be decided as per course of law. The Company has not made any provision for such receivables as the Company expects a favourable outcome in all the cases. The action taken by FHEL has been substantiated by their auditors.
Point No. 2(b) of Emphasis of Matter	The auditors of FHEL (a subsidiary of CONCOR) have reported that refer note no. 8(a) of their financial statements include amount recoverable from the customer (i) M/S Elements Exports - Rs. 10,92,656/- and (ii) M/S SRC Overseas - Rs. 70,037/- which are outstanding for more than 1 year. No recovery suit has been filed by the company against them.	It is stated that M/s Elements Exports have stored dry fruits (Walnut) in Customs Bonded warehouse and their cargo is still lying in the warehouse. The amount will be recovered before delivery of the cargo to them. In the matter of M/s SRC Overseas, follow-up is going on for recovery of the dues. The product stored by the party was imported fresh fruit cargo i.e. Nectarine which got spoiled being perishable product due to non-lifting of the cargo by party and has been disposed of.
Point No. 3 of Emphasis of Matter	**CONCOR Air Limited (CAL)** **Material Uncertainty Related to Going Concern:** The auditors of CAL (a subsidiary of CONCOR) have drawn attention to Note No. 41 of their financial statements, which indicates that Board has decided to Transfer and Sell the Concessional Rights and Fixed assets of CONCOR AIR Ltd. to MIAL as per Agreed Terms and Conditions. The Contract period is up to Jan.2026 but in the interest of CONCOR Air Ltd., the termination is done before the expiry of the Concession period. Matter	**31.03.2024:** The auditors of SCICL (a subsidiary of CONCOR) have drawn attention to Note No. 42 of their financial statements, which indicates that the balance of Trade Payable Other than MSME, depicted as Others in Schedule no.42 for Rs 13,347.30 (Amount in Thousands '000), consist of Expenses Payable for UPCL amounting to Rs 681.72 (Amount in Thousands '000) for a temporary connection (Category Tarif-RTS-7 having Load 355 KVA for KNO-LP 427 with Connection number T-159). Wherein the Company has collected amounts from various vendors on account of electricity expenses during the Year 2015 to Year 2018, which is payable to UPCL for electricity bill against the temporary connection, the billing for which is not received since March 2015 to date of disconnection and according not paid by the company till date. Management is requested to take sufficient and appropriate action for either payment to UPCL against the payables outstanding in books since Year 2015 or refund of money collected from vendor on account of electricity charges.	SCICL was provided with temporary connection by the Uttarakhand Power Corporation Limited (UPCL) during construction phase. SCICL during said phase has collected amounts from various vendors on account of electricity expenses on the basis of units consumed. The temporary connection was disconnected by the Uttarakhand Power Corporation Limited (UPCL) after providing regular connection for supply of electricity to the company. The temporary meter was burnt and was taken by UPCL for Meter Reading Instrument (MRI) to get the exact units of electricity consumed and also communicated that the bill will be generated after the said MRI gets completed, but till date no communication has been received. The Company is regularly chasing up this matter with UPCL and necessary provision in the books of accounts has been provided and payment will be done once necessary information required is provided by UPCL.
Point No. 2(c) of Other Matter	**Trade Receivables & Trade Payables:** The auditors of SCICL (a subsidiary of CONCOR) have drawn attention that balance confirmation for Receivables and Payables are not available with the entity, Advance collected from many customers amounting to Rs 5,910.77 (Amount in Thousands '000), including VDS are not confirmed from vendors. There should be proper mechanism for balance confirmations to be maintained for the stakeholders.	The reconciliation of Trade Receivables and Trade Payables is an ongoing process. The Company is annually seeking balance confirmation from most of the parties by sending letters to them. Thus, there is a mechanism available for the same. However, to further streamline the process, regular follow up will be done with the concerned parties, so that the balance confirmation is made available on time.

The Company needs to integrate the two and incorporate internal control and audit system to verify the correctness of data.	"The company has no operations during the year, financial package "Tally" has been used for all accounting transactions during the year under audit". It may be noted that CAL exited from Concession Period w.e.f. 01.04.2023. Therefore, integration of IT system for revenue accounting and for accounting of receivables is not required at this juncture.
Point No. (2) under Report on the Internal Financial Controls over Financial Reporting	The auditors of CAL (a subsidiary of CONCOR) have drawn attention that system of reconciling the input taxes with GST Returns and information available on the portal needs strengthening.	The auditors of CAL have reviewed their observations and submitted revised Report in which this point has been removed.

CONCOR BUSINESS OVERVIEW

Performance

During the year under review, CONCOR achieved a significant increase in revenue and profitability. Our total revenue grew by 6.9% to ₹ 9010 crores, driven by a surge in container handling and transportation volumes. Our net profit increased by 5.2% to ₹ 1230 crores, reflecting our focus on operational efficiency and cost optimization.

With consistent good service to Trade despite increase in Tariffs, CONCOR was able to register the highest-ever Throughput of 4.72 Million TEUs in 2023-24, which was a growth of 8.25% over the previous year.

EXIM traffic handling increased by 7.08% and domestic traffic handling registered a growth of 12.33%. The Company continued to expand its footprint through capital expenditure of ₹745 Cr.

CONCOR commissioned 14 new High Speed Heavy Capacity Rakes, taking its total Fleet size to 377 at the end of the year. In addition, the CONCOR procured 7,653 new Containers taking the total count to more than 44,000.

The Western DFC is likely to be fully commissioned by March 2025. However, we have been using a part of the Western DFC that has been commissioned to run Time-Tabled Double Stack Trains from our Multi Modal Logistics Park (MMLP) at Dadri to Mundra Port, which helped us to shift Cargo that was earlier moving by Road to Rail.

A Double-stack train carries 180 TEUs, while a normal train carries only 90 TEUs of containers. In long-haul, two trains are coupled together to form a long train to carry more containers in one go. This has opened the possibility of running Long-haul and Double-stack trains from ICD, Dadri to Pipavav besides Mundra port.

CONCOR is operating 4 Mn Sqft of Warehouse space at its various Terminals across the country. CONCOR has received proposal from various members of Trade for development of new Warehouses and the Company is going to do that in the near future.

CONCOR plans to enhance its First Mile and Last Mile logistics services by adding 200 Liquified Natural Gas (LNG) Trucks to its fleet. This initiative aligns with CONCOR's strategy to improve efficiency and reduce environmental impact by utilizing cleaner fuel options.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The Revenue from operations increased from Rs.8103.40 crores in FY 2022-23 to Rs.8632.49 crores in FY 2023-24 i.e. a growth rate of 6.53%.

Your Company continued to place great emphasis on providing total logistics solutions to its customers by expanding its sphere of business in all segments of transport value chain, both in EXIM and Domestic sector. Special emphasis was also given on providing First-Mile-Last Mile logistic solutions to the trade through optimal utilization of infrastructure. Towards its commitment on ESG, CONCOR has introduced green logistics initiatives by deployment of 75 LNG trucks for facilitating eco-friendly logistics operations as well as initiatives have been taken on development of solar based infrastructure at its various terminals. Keeping in pace with the dynamics of the logistics industry, your company has also adopted various technological advances in logistics such as digital solutions in operations, launch of logistics apps, adoption of ice-battery technology in cold chain logistics, pilot project on AI based transportation management contributing towards enhanced productivity, customer centric services and logistics efficiency.

INTERNAL CONTROL SYSTEMS:

- CONCOR Vehicle Advance Rules have been updated and modified, enhancing the amount for purchase of vehicles and change in the interest amount on the loan.
- Annual Performance Appraisal System for Top Management upto level E5 and above has been introduced for onboarding on CPSE SPARROW.
- Post Retirement Schemes in respect of Superannuated employees are being implemented in a robust and transparent manner ensuring continued social security of Pension and Medical Attendance.
- Development of an independent CONCOR PRMS Web-Portal encompassing continuous sharing/ display of all information with regard to policy, instructions, and to provide an interactive service delivery mechanism through IT.

Total manpower strength was 1297 on 31.03.2024. The Industrial Relations remain cordial and harmonious and on account of issues, if any, raised by the Union, no-man-days were lost during the years. All the issues raised by the union were seized under conciliation under the Industrial Disputes Act 1947.

ENVIRONMENTAL PROTECTION AND CONSERVATION, TECHNOLOGICAL CONSERVATION, RENEWABLE ENERGY DEVELOPMENTS, FOREIGN EXCHANGE CONSERVATION:

CONCOR is committed for protection & conservation of environment, technological conservation, renewable energy development and foreign exchange conservation, the applicable detailed particulars regarding the work done on these aspects have been provided in the Directors' Report and Business Responsibility & Sustainability Report (BRSR) both forming part of the Annual Report.

CORPORATE SOCIAL RESPONSIBILITY:

CONCOR is committed to implement its CSR policy in letter and spirit by taking up various welfare projects, including on environment sustainability for the betterment of all its stakeholders as well as weaker sections of the society to enable them to grow and prosper together. In this regard, detailed particulars of the work done under CSR have been provided in the annual report on CSR activities forming part of Directors' report to the shareholders.

RISK MANAGEMENT:

The Company has an elaborate Enterprise Risk Management (ERM) framework in place. As a part of implementation of the ERM framework and in terms of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, CONCOR has in place a Board level Risk Management Committee (RMC) which reports to the Board about the risk elements, their mitigation plans, etc. at regular intervals. The RMC has been entrusted with the responsibility to identify and review the risks and formulate action plans and strategies for risk mitigation. The main function of RMC is to monitor various risks and to examine the adequacy of risk management policy and practices adopted by the Company and also to initiate action for mitigation of risks arising in operations and other key functional areas of the Company. CONCOR also has a committee below board level RMC, which comprises of Area Heads from each area and other functional heads of the Company. This committee is entrusted with responsibility of effective implementation of action plan formulated by board level RMC. Further, CONCOR has appointed a Chief Risk Officer (CRO) for coordination among various departments and management of Risk Assessment exercise every quarter.

The Company takes responsibility to proactively identify and address risks and opportunities to protect and create value for its stakeholders. All terminal heads of the operating units are required to regularly define the effectiveness or non-effectiveness of control /action plans formulated to mitigate the risk elements. The ERM reports are reviewed and evaluated by the RMC periodically and main risks identified by the RMC are appraised to Board of Directors.

Some of the key risks which the Company faces and the corresponding strategies undertaken for their mitigation by the Company are as under:

Associated Risk Event	Mitigation Plan
• Low profit margins for Domestic due to uncontrollable factors and fall in market share. • Levy of Busy Season Surcharge of 10% by Indian Railway	• Rationalization of tariffs in most of the streams has been done to increase profit margins. • Empty container repositioning is being reviewed at regular intervals. • Generate traffic on empty flow directions. • Identify the streams of traffic that CONCOR is not carrying. Formulate a plan for each such stream with potential revenue impact. • Approach Customers for committed business & enter into agreements to arrive at competitive pricing.
Competition from Road due to following factors: • Reduced transit time • Abolition of toll gates • Multi axle vehicles carrying higher loads.	• Directly loading from Siding. • Providing End to End Solution to Customers including Container Warehousing. • Introduction of LNG trucks.
Threat from competition	• Competitive pricing is being provided. • Exploring new streams and their business potentials. • Focus on long term volume commitments by signing of agreements, competitive pricing and Volume Discount Schemes (VDS). • Liberalization of free time is being offered to the trade. • Being in constant touch with Customers to assess the market needs and initiate action for bringing new business and retaining existing traffic. • Initiate necessary action for tapping of business volumes being moved through other competitors' facility and also

	by road. • Focus on long term volume commitments with major customers by signing of agreements and providing competitive pricing and VD scheme to retain their continued patronage. • Designing new service offering leading to extension of value chain. • Use of IT to ensure correct and timely dissemination of information.
System downtime and cyber security risk leading to adverse impact on operations	• CONCOR is ISO/IEC 27001:2013 certified. This is related to international standard for ISMS. • Develop Preventive & corrective maintenance plan • Full proof security to prevent vandalism • Disaster Recovery (DR) site at Mihan, Nagpur has also been developed to include almost all the applications hosted at Central site in Delhi. • Installation & commissioning of security devices (H/W & S/W) are in place. • Established and maintaining Back Up site at Dadri which covers commercial system (ETMS, CCLS & DTMS). • The various security solutions such NTA Solution, IPAM Solution, PAM Solution, MFA solution and APM Solution and consolidated syslog server have already been processed.
Competition/ challenges from existing and established agencies in the market providing various composite services	• Clubbing FMLM services with other services of CONCOR for providing single window service. Increasing customer base ensure greater coverage to increase the volumes.
Low Employee Morale and Motivation	• Social Security Provisions and Loans and Advances for Vehicle, Housing etc. • Continuous analysis of working culture & environment in order to maintain high level of Total Employees Involvement (TEI) and sense of belongingness

STRENGTHS:

CONCOR's strengths are as under:-

- A large infrastructure base of rolling stock, especially the ownership of high-speed container flats (BLC/BLL wagons), and specialized container handling equipment etc. The Company owns a total of over 377 rakes including 358 high speed (BLC+BLL+BLCM+BLCS) and 20 (BFKHN) rakes as on 31/03/2024.
- Large network of "state-of-the-art" terminals located across the country, giving it an unparalleled reach and penetration. Distinct cost advantage offered by CONCOR CFSs to users by virtue of their locations within ICD premises.
- Over 35 years of presence in organizing efficient rail movement of containers & highly professional terminal management and operations of ICDs, combined with the experience of coordinating /liaisoning with Indian Railways, Customs and other Central & State Government agencies.
- Highly committed team of experienced and skilled workforce with in depth knowledge of multi modal logistics business with a customer sensitive outlook. Ability to provide choice of mode of transportation between rail/road/sea (coastal)/ air according to the needs of the customer.
- Lean and thin organization with reduced fixed costs.
- Strong presence in virtually all container handling ports in India having forged good working partnerships with these ports.

- Established & sustained long term relations with credible high-volume customers in the domestic sector. Major alliances have also been established with shipping lines and other logistics service providers.
- A large fleet of over 44,492 owned containers for domestic traffic. The company is also acquiring 16,640 new containers.
- Customized software applications for both EXIM and Domestic segments with internet based customer interface & full EDI connectivity with Customs & Indian Railways and Customs interface.
- Blue Chip Company with good market capitalization and viewed as a very good financial proposition by investors.

WEAKNESSES :

- Overdependence on EXIM traffic & resultant exposure to vagaries of international business/trade trends.
- Overdependence on a single rail corridor for EXIM business. Any disruption in this sector can have repercussion on business.
- Large dependence on Railways as a transporter leaves CONCOR vulnerable to increase in haulage charges & policy changes. To overcome the same, CONCOR has to actively evaluate entry into "end-to-end" road transportation segment to augment its basic nature of providing inter modal comprehensive integrated rail based services.
- All the same, vagaries of road based logistics makes it difficult for CONCOR to directly enter this sector - especially given its PSU status, and hence leaves it dependent on other agencies.
- Gaps between quality of service and the ever growing expectations of the customers. At some places outsourced services are not of desired level on account of differences in the objectives of the service providers and CONCOR.
- Land Acquisition - A big constraint.
- Difficulty in arranging return cargo, empty running.

OPPORTUNITIES & THREATS:

Your company is well poised to tap the new business opportunities arising from potential Growth in EXIM container volumes, and the likely increase in container traffic due to development of Dedicated Freight Corridors. Its initiative to use the terminal capacity for promoting double stack movement between hinterland & gateway ports of Gujarat have helped increase rail co-efficient & make its services competitive.

The growing market potential in air cargo, automobile sector, food supply chain management, coastal shipping and Distribution Logistics offers scope for diversification which will be effectively worked upon.

The putting back of the Indian Economy on high growth paths is bound to result in additional transport demands. This, coupled with the anticipated changes in profile of traded goods from intermediate to finished goods, is bound to increase the opportunities for containerization in domestic market. Added to this, the large number of Industrial Parks, SEZs etc. by State Governments and Ports offer your company the excellent opportunity in the role of Logistics Partner for the states/industrial estates through arrangements of mutual benefits.

FUTURE OUTLOOK AND INITIATIVES:

Global Economic Scenario:
The Indian economy is on a strong wicket and stable footing, demonstrating resilience in the face of geopolitical challenges. The Indian economy has consolidated its post-Covid recovery with policymakers – fiscal and monetary – ensuring economic and financial stability. Nonetheless, change is the only constant for a country with high growth aspirations. Difficulties have been noted to reach agreements on key global issues such as trade, investment and climate.

After a year marked by global uncertainties and volatilities, the global economy achieved greater stability in 2023. While uncertainty stemming from adverse geopolitical developments remained elevated, global economic growth was surprisingly robust. As per the World Economic Outlook (WEO), April 2024 of the International Monetary

Fund (IMF), the global economy registered a growth of 3.2 per cent in 2023, though marginally lower than in 2022 and average for 2011-19 but higher compared to its projection of 2.8 percent in April 2023.

Indian Economic Review:
India's economy carried forward the momentum it built in FY23 into FY24 despite a gamut of global and external challenges. The focus on maintaining macroeconomic stability ensured that these challenges had minimal impact on India's economy.

Against the backdrop of global uncertainty, India continues to be an outlier in terms of GDP growth. In FY 23-24, the economy grew by a robust 8.2%, driven primarily by strong growth in investments, manufacturing and government spending. The growth in investments is particularly significant for the revival of the capital expenditure cycle, which supports long-term economic growth.

International trade has contributed to India's economic growth. Over time, through concerted reforms and facilitative measures to enhance trade, there has been a significant increase in the share of trade (goods and services) in GDP. The trade openness has contributed significantly to economic growth as it facilitated an efficient allocation of resources through comparative advantage. The share of trade (excluding petroleum products exports and crude oil imports) in GDP rose from 32.3 percent in FY05 to 40.8 in FY23.

Logistics Sector Growth Review:
The Government of India is creating infrastructure in a big way with massive investment in the Railways and Road sectors. This will ensure supply chain efficiencies and this is likely to reduce logistics costs in the country.

India is moving up the global value chains (GVCs), with the share of GVC-related trade in gross trade rising to 40.3 per cent in 2022 from 35.1 per cent in 2019. The improvement in GVC participation is also reflected in increased pure backward GVC participation. Aided by government measures on trade facilitation and reduction in logistics cost, India's rank in the World Bank's Logistics Performance Index improved by six places, from 44th in 2018 to 38th in 2023 out of 139 countries.

The Rupee emerged as the least volatile currency among its emerging market peers and a few advanced economies in FY24. The shock absorbers of India's external sector - forex reserves, sustainable external debt indicators, and market-determined exchange rate, are in place to cushion the global headwinds.

In the future, the changing composition of India's export basket, enhancement in trade-related infrastructure, enhanced quality consciousness and product safety considerations in the private sector and stable policy environment are expected to play a significant role in driving India's rise as a global supplier of goods and services.

Indian Railways:
India's freight demand is about 4,500-5,000 million tonne (MT) annually, translating to about 3 trillion net tonne kilometers (NTKM) of transportation output, valued at approximately INR 9.5 lakh crore.

Indian Railways is embarking on a transformative journey aimed at enhancing the overall experience and capacity creation through comprehensive infrastructure development.

During the financial year 2023-24, the Indian Railways achieved a record-high freight loading of 1591 million tonnes (MT).

One of the success stories has been the increase in share of Railway in domestic transportation of small passenger vehicles, rising from 1.5% in 2013-14 to 16% in 2021-22. To support this growth, Indian Railways have expanded their fleet to 90 Newly Modified Goods (NMG) rakes and 43 Bi-level Auto Car wagon (BCACBM) rakes under the AFTO scheme. This success has been driven by coupling capital investments with the introduction of adequate wagon designs and the right commercial and operational policies.

As India aims to achieve the desired economic growth, the need to reduce the cost of logistics cannot be understated. Indian Railways as a mode of transport can play an important role in lowering the logistics cost as it is

significantly cost and time efficient over medium to long distances. Indian Railways is also an important contributor to India's commitment towards Net Zero emissions by 2070, with Indian Railways itself committing to be Net Zero by 2030.

During 2023, Indian Railways has continued to usher into era of modernization with modern stations, modern trains and modern technology. The year 2023 has been extraordinarily progressive for Indian Railways on various fronts like Freight loading, freight revenue etc.

However, the freight landscape is not without challenges. The freight portfolio of Indian Railways remains heavily concentrated towards bulk commodities, particularly coal (accounting for 40% of rail freight volume), iron, and cement. This composition has shown minimal diversification over the past 15 years. Indian Railways' ambitious target of 3,000 MT by 2027 includes adequate interventions towards diversifying this commodity mix hauled on rail.

CONCOR has pioneered innovation by introducing 12 feet high containers for Rail transportation having capacity of 47.8 CBM the more space availability of 30%. To market 12 Feet Containers, because these containers are useful for light weight as well as volumetric cargo like Auto Parts, Yarn, Food products, Tyres & Tubes, Shoes, Clothes, White Goods, Medicines (not required Refrigeration), FMCG, Furniture, Paint, Edible oil, paper etc.

The Gati Shakti Cargo Terminal policy of Indian Railways for multi-modal connectivity, aims to reduce the end-to-end cost for movement of varied commodities when using rail. This initiative encourages private investment in cargo terminal development. While 48 Gati Shakti Multi-Modal Cargo Terminals (GCTs) were commissioned by June 2023, it has this far had minimal impact in diversifying the commodity basket moved on Rail.

With a thrust on investment in infrastructure, the Union Ministry of Railways has been allocated ₹2.55 lakh crore for the financial year 2024-25, up by 5.8% from last year's allocation of ₹2.41 lakh crore.

In 2024-25 Budget, three major Economic Railway Corridor Programmes — Energy, Mineral and Cement Corridor, also being referred to as Energy Economic Corridor; Port Connectivity Corridor; and high traffic density corridors were announced.

The Union Cabinet also approved setting up a Major Port at Vadhavan near Dahanu in Maharastra. The Vadhavan Port will be developed as an all-weather Greenfield deep draft major port in Vadhavan, Palghar District, Maharashtra capable of handling 20,000 plus TEU Container Vessels. The total project cost, including the land acquisition component is ₹76,220 Crore. The proposed Port will have Rail linkage to the upcoming Dedicated Rail Freight Corridor.

The capacities created will also aid EXIM trade flow through IMEEC (India Middle East Europe Economic Corridor) and INSTC (International North South Transportation Corridor).

STRATEGY TO MEET THE CHALLENGES:

CORPORATE GOVERNANCE

Corporate governance is the system of rules, practices, and processes by which a company is directed and controlled. Corporate governance essentially involves balancing the interests of a company's many stakeholders, which can include a shareholder, employee, value chain partner, customer, investor community or policymaker. It is a practice that must emanate from top and spread throughout the organization. Corporate Governance is inevitable, however good corporate governance is voluntary and beyond those written and scribed laws. Sound Corporate Governance practices and trust go hand in hand.

At CONCOR, we are committed to promote and strengthen the standards of Corporate Governance by abiding with basic principles of Corporate Governance viz. accountability, transparency, fairness and responsibility.

Clear and open communication is a fundamental component of any corporate governance framework and we strive to ensure the efficient and ethical conduct of affairs to maximize value for all stakeholders and society at large. The Company's report on its Corporate Governance is as under:

CORPORATE PHILOSOPHY:

CONCOR believes in adopting the best practices in the areas of Corporate Governance. Even in a tough competitive business environment, the Management and Employees of the Company are committed to value transparency, integrity, honesty and accountability which are fundamental core values of Corporate Governance. Corporate Governance at CONCOR is integral to its existence, it is not merely focussed on adhering to written sets of policies and procedures, rather it is observed in the organization both in letter and spirit.

The guiding principles of Corporate Governance framework at CONCOR are to work towards compliance of law/regulations in letter and spirit, adopting transparent and sound systems of Internal control to achieve business objective in both short and long terms, promoting and safeguarding the interests of all stakeholders, integrity and ethical behaviour of all personnel, timely dissemination of all material information and adherence to ethical standards for effective management.

With this framework in place, the Company is well positioned to respond and adapt to the changing global business environment and formulate and implement the strategies required to achieve its goals. With its strong sense of values and commitments towards all stakeholders, CONCOR manages its affairs with a sense of responsibility. This is an integral part of your Company's Corporate Philosophy.

CONCOR is a competitive, customer-friendly and development-oriented organization with objective to provide efficient and reliable multimodal logistics support for the country's EXIM and Domestic trade and commerce. It adheres to highest level of safety in operations, maintains good health of its employees and provides a clean and green environment for a better tomorrow with the best use of the technology to provide logistics related services.

Corporate Governance in the Company has been strengthened by formulating, implementing and updating various policies/codes viz. Code of Conduct for Board Members and Senior Management Personnel, Code of Conduct for Regulating and Reporting Trading by Insiders and for Fair Disclosures 2015 and Whistle Blower Policy/Vigil Mechanism. The Company regularly takes steps for furtherance of goals of Corporate Governance like e-tendering, online vigilance clearance, online application for recruitment, customer grievance redressal system, SMS based container query, emailing annual reports & notices, e-filing for commercial systems, etc. All these initiatives, together with meaningful CSR activities and sustainable development policies followed by the Company, has enabled it to earn the trust and goodwill of its investors, business partners, employees and the communities in which it operates.

BOARD OF DIRECTORS:

CONCOR's Governance Structure broadly comprises of the Board of Directors and the Committees of the Board at the apex level and the management structures at the operational level. The Board of the Company constantly

endeavours to set goals and targets aligned to the Company's Mission. It represents the ideal combination of professionalism, knowledge, experience which enables it to discharge its responsibilities and provide effective leadership to the business. The Board acts as the focal point and custodian of Corporate Governance for the Company.

Board of Directors provides vision, leadership, guidance and finalizes the long term strategic plans, reviews and monitors corporate performance, ensure regulatory compliances and safeguard the interests of the stakeholders of the Company. The Board continuously reviews Company's corporate governance practices, assesses the regulatory and legislative environment and adopts the governance practices that best serve the interests of all stakeholders. CONCOR is headed by an Executive Chairman and Managing Director (CMD) and four functional directors i.e. Director (Finance), Director (International Marketing and Operations), Director (Domestic Division) and Director (Projects and Services).

Pursuant to Section 2(45) of the Companies Act, 2013 CONCOR is a Government Company as 54.80% of its total paid up share capital is held by the President of India through Ministry of Railways. Appointment/nomination of all the Directors in CONCOR is being done by the President of India, through the Ministry of Railways. The Articles of Association stipulates that the number of directors shall not be less than five and not more than fourteen.

All Part-time Non-official (Independent) Directors who are normally appointed for a period of three years, have adequate qualifications, expertise and experience which enable them to contribute effectively to the management of the Company. They play very important role in deliberations at Board and Committee meetings and effectively contribute to the decisions through their expertise in various fields. They are part of various committees constituted by the Board which are Audit & Ethics Committee, Nomination & Remuneration Committee, Stakeholders' Relationship Committee, Risk Management Committee and CSR Committee. In terms of SEBI (LODR) Regulations, the Audit & Ethics Committee, Stakeholders Relationship Committee and Nomination & Remuneration Committee are chaired by an Independent Director.

As the Chairman of the Company is an Executive Director, half of the strength of the Board should consist of Independent Directors. In respect of the above provision, three position of Independent Directors were lying vacant at the end of the year and the composition of Board of Directors of CONCOR was not in conformity with the requirements of SEBI (LODR) Regulations as well as Guidelines on Corporate Governance issued by DPE.

Further, Ministry of Railways vide its order dated 20.05.2024 appointed Shri Prabhas Dansana, Principal Executive Director/ TT (M), Railway Board as Part-Time Government Director on the board of CONCOR. Subsequently, the Board of Directors of the Company have appointed him as Director on the Board of the Company w.e.f. 20.05.2024. Presently, three posts of independent directors are to be filled. The Company was not in compliance with the provisions of SEBI (LODR) Regulations and DPE Guidelines on Corporate Governance regarding composition of its Board as on 31.03.2024, due to not having requisite number of Independent Directors on its Board.

Decisions by the Board

The Company has a well laid down procedure for decision making by the Board and its Committees. The Board and its committees meet at regular intervals to discuss and decide on business strategies/ policies and review the financial position of the Company. The Board/Committee meetings are convened by giving appropriate notice, in consultation with of the Chairperson of the Board/Committee as the case may be. For all meetings, structured agenda along with comprehensive notes are circulated to Directors well in advance for facilitating meaningful, informed and focused decision making at the meetings. Sometimes additional/supplementary agenda item(s) are also permitted. In order to address specific urgent needs, meetings are also convened at a shorter notice or alternatively resolutions are passed by circulation, which are subsequently noted at the next Board/Committee

meeting. As and when required, the departmental heads/senior management officials/experts are also invited to provide additional inputs or give presentations on the matters being discussed in the meetings of the Board/ Committee of the Board. The meetings of the Board of Directors and its Committees are normally held at Registered Office of the Company.

The Board meets at least once in a quarter to review the quarterly performance of the Company and other items on the agenda. Additional meetings of the Board are also conducted as and when required. Apart from receiving the sitting fee and reimbursement of expenses, if any, incurred in the discharge of their duties, none of the Non-executive Directors had any pecuniary relationship or transactions with the Company during the year 2023-24.

MEETING OF INDEPENDENT DIRECTORS:

In terms of provisions under the code of Independent Directors under Companies Act, 2013 and SEBI (LODR) Regulations, Independent Directors are required to meet at least once in a financial year. Accordingly, a separate meeting of Independent Directors of the Company was held on 14.03.2024 without the presence of Chairman & Managing Director, functional Directors, Govt. Directors and the management team.

The meeting was attended by all the Independent Directors as existed on the date of the meeting in person or through Audio Video means. In the said meeting, the Independent Directors discussed the matters to be taken up at the separate meeting of Independent Directors in terms of applicable provisions of Companies Act 2013, SEBI (LODR) Regulations, 2015 and DPE Guidelines. As per the provision prevailing in Schedule IV of the Companies Act 2013, Independent directors are required to evaluate the performance of Chairperson, non-independent directors and the Board as a whole in their separate meeting. However, in terms of the exemption notification dated 05.06.2015 the above requirement related to evaluation of directors as stated in Schedule-IV are not applicable to the Government Companies, if the said requirements are specified by the concerned Ministry or Department of Central Government and such requirements are complied with by the Government Company. Since the appointment and evaluation of all Directors in the CONCOR is done by the Govt. of India through Ministry of Railways, the provisions related to evaluation of Chairperson, non-Independent Directors and Independent Directors are not applicable to CONCOR. Accordingly, in its separate meeting, the Independent Directors have concluded that being a Government Company, the Directors' performance may continue to be reviewed by the Government in the same manner as is being done every year.

COMMITTEES OF THE BOARD:

The Board Committees are formed in terms of the applicable regulatory requirement and also for improving board effectiveness and efficiency, in areas where more focused, specialized, technical discussions and decisions are required. The Committees prepare the groundwork for decision making and provide their suggestions, inputs and recommendations to the board.

At present, there are six (6) Board level committees in the Company, namely: Audit & Ethics Committee, Nomination & Remuneration Committee, Stakeholders' Relationship Committee, Risk Management Committee, Corporate Social Responsibility & Sustainability Committee and Share Transfer Committee. The Board has decided the terms of reference for these committees which are in line with the regulatory requirements, as applicable. Apart from these, the respective Committee(s) also carries out such responsibilities entrusted upon it by the Board of Directors from time to time. The Chairman of Committees are normally present at the Annual general Meeting of the Company.

The minutes of the meetings of the committees of the Board are placed before the Board for information and noting. The details with regards to composition, terms of reference, number of meetings held and attendance of each committee member are provided hereunder:

1. Nomination & Remuneration Committee:

xv) There were no instances of penalties / strictures imposed on the Company by the Stock Exchanges or SEBI or any statutory authority due to non-compliance on any matter related to capital markets during the last three years, except fine(s) imposed by NSE and BSE with regard to the matter stated herein below:

One matter was for not having requisite number of Independent Directors on Company's Board from time to time. Board of Directors (BOD) of the Company were apprised about the same and it was decided by BOD that as appointment of Independent Director(s) is done by the Government and the Company has been regularly requesting Government to appoint the requisite number of Independent Directors on its Board, therefore being a Government Company, the fine is not payable by CONCOR. As per above decision of BOD, the fines imposed by BSE and NSE for respective quarters were not paid by the Company. The decision of BOD was informed to the Stock Exchange and to the administrative ministry i.e. Ministry of Railways.

Other matters pertaining to the year 2021-22 were related to delay in providing the information in the XBRL format for the related party transactions for the half year ended on 30.09.2021, composition of Audit Committee for part of the quarter ended on 31.12.2021 and composition of the nomination and

remuneration Committee for some part of the quarters ended on 31.12.2021 and 31.03.2022. In these matters, as well citing the technical glitches and due to not having requisite number of Independent Directors on the Board during the relevant periods, the Company has requested the Stock Exchanges to waive the fines imposed. In respect of these matters no compliances are pending from Company's side as all required compliances for the year 2021-22 were done by the company. Further, these matters were informed to the Board of Directors and the administrative Ministry i.e. Ministry of Railways.

The total fine imposed by BSE and NSE during various quarters of last three years, including GST was Rs.1.44 crores. Subsequently, considering the Company's representation to the Stock Exchanges, some of the fines imposed by exchanges for the quarters upto September 2022 amounting to Rs.0.69 crores, have been waived. In respect of period ended on 31.03.2024, total fines outstanding are Rs.0.75 crores. The Company has requested NSE & BSE to waive fines imposed for other quarters as well.

xvi) During the year the certificate confirming due compliance of the share transfer formalities by the Company [under Regulation 40 of SEBI (LODR) Regulations, 2015]; and quarterly Reconciliation of Share Capital Audit Report [under SEBI (Depositories and Participants) Regulations, 2018] were obtained from practicing Company Secretary and the same were submitted to the Stock Exchanges within the stipulated time.

xvii) No significant or material orders were passed by the Regulators or Courts or Tribunals which impact the going concern status and Company's operations in future.

xviii) No fraud has been reported by the Auditors to the Audit & Ethics Committee or the Board.

xix) The Directors state that applicable Secretarial Standards, i.e. SS-1 and SS-2, relating to 'Meetings of the Board of Directors' and 'General Meetings', respectively, have been duly followed by the Company.

xx) Company has received declarations from all Independent Directors of the Company confirming that they meet the criteria of independence prescribed under the Act and the Listing Regulations. On the basis of said confirmation, it is confirmed that Independent Directors are meeting the criteria of independence.

xxi) Further, the Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

xxii) During the year 2023-24, total Fee on consolidated basis paid to M/s Hem Sandeep & Co., Statutory Auditor of the Company and all entities in the network of the firm/ network entity of which the Statutory Auditor is a part, if any, by the Company and its subsidiaries was Rs.27.30 lakhs, excluding GST.

xxiii) Your Company issues a formal letter of appointment to all the Independent Directors and the terms and conditions of such appointment have been hosted on the website of the Company.

xxiv) With respect to demat suspense account/ unclaimed suspense account, it is confirmed that there is no case due for transfer of shares to Suspense Escrow Demat Account of CONCOR.

xxv) In relation to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, No complaint was received during the year 2023-24.

S. No.	Dividend Declared	Dividend	Record Date/ Book Closure	Dividend Payment Date
1.	1st Interim Dividend	40% (Rs.2.00 per share of Rs.5/- each)	19.08.2023	01.09.2023
2.	2nd Interim Dividend	60% (Rs.3.00 per share of Rs.5/- each)	16.11.2023	28.11.2023
3.	3rd Interim Dividend	80% (Rs.4.00 per share of Rs.5/- each)	07.02.2024	20.02.2024
4.	Final Dividend*	50% (Rs.2.50 per share of Rs.5/- each)	19.09.2024 to 25.09.2024	04.10.2024 onwards

*The Company has proposed a Final dividend of 50% (Rs.2.50 per equity share of Rs.5/- each), for the year ended on 31.03.2024, which shall be paid within 30 days after its approval by the shareholders in AGM.

Change of Address/Bank Details/NECS Mandate/E-mail ID:

For change of address/bank details/dividend mandate/E-mail ID, Members may approach –
i) if shares are held in physical mode: to the Company/RTA of the Company.
ii) if shares are held in electronic mode: to their Depository Participant (DP). The Company/RTA will not entertain such requests, if any.

Bank Account details and 9-digit MICR Code of their Bankers, as noted in the records of their DP is used for the purpose of overprinting on Dividend Warrants or remittance of dividend through permitted electronic modes, wherever applicable. It is, therefore, necessary that the members holding shares in electronic mode should ensure their correct bank details and/or 9-digit MICR Code number are noted in the records of the DP so that no rejection takes place. As per the dividend mandate noted in the records of DP, the amount of dividend will be credited directly to bank account of the shareholder. The credit of dividend amount can also be confirmed from your pass book/bank statement.

Transfer of unpaid/unclaimed amounts to Investor Education and Protection Fund:

Pursuant to the applicable laws, dividend amount(s) remaining unclaimed and unpaid for a period of seven years is required to be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government in this behalf.

During the year, your Company had transferred an amount of Rs.2,16,557/- in the Investor Education and Protection Fund (IEPF) for unclaimed/unpaid final dividend for FY 2015-16. The unclaimed/unpaid interim dividend for the FY 2016-17 for an amount of Rs.1,72,157/- was due for its transfer in the Investor Education and Protection Fund (IEPF) and the same was transferred on 17.04.2024. The particulars in respect of unclaimed/unpaid dividend, indicating name of shareholder, amount of dividend, etc. are also available on the website of the Company at http://www.concorindia.co.in/assets/pdf/unpaid_note.PDF.

The unclaimed/unpaid final dividend for the FY 2016-17 which is due for its transfer to IEPF, should be claimed by the members before 26.10.2024. After the said date, no claim shall lie against the Company, in respect of the said amount. The due dates of transfer of unpaid/unclaimed dividend to IEPF for the imminent financial years are as under:

S. No.	Financial Year	Dividend Type	Dividend (%)	Last date for claiming Unpaid Dividend	Due date for transfer to IEPF
1	2016-17	Final	75	26.10.2024	25.11.2024
2	2017-18	Interim	96	01.03.2025	31.03.2025
3	2017-18	Final	75	26.10.2025	25.11.2025

Since after the transfer of unpaid/unclaimed amount of IEPF, no claim shall lie against the Company/RTA, members who have not yet encashed their Dividend Warrant may approach the RTA/Company for issuance of demand draft(s) upon completion of necessary formalities in the said behalf in lieu of such warrant.

Transfer of shares to Investor Education and Protection Fund:

The shareholders may note that pursuant to the applicable provisions of the Companies Act, 2013 and the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") notified by the Ministry of Corporate affairs effective September 7, 2016 as amended from time to time, all unpaid or unclaimed dividends are required to be transferred by the Company to the Investor Education and Protection Fund ("IEPF") established by the Central Government, after completion of seven years. The Rules, inter alia, contain provisions for transfer of all such shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more to IEPF Authority. In accordance with the provisions of Companies Act, 2013, Company has transferred 4,582 equity shares of Rs.5/- each in respect of which dividend was not claimed by members for seven consecutive years or more to IEPF Authority as per the prevailing provisions under these rules during previous years (including 1,448 shares transferred during FY 2023-24).

Therefore, the shareholders are once again advised to claim their dividend(s) which has remained unpaid/ unclaimed from the Company or its Registrar and Share transfer Agent as the Company is mandated to transfer such shares to IEPF in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more. The Company has uploaded on its website the details of unpaid and unclaimed amounts lying with the Company and details of shares transferred and liable to be transferred to IEPF and the same can be accessed from www.concorindia.co.in.

AUDITORS' CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To
The Members of
CONTAINER CORPORATION OF INDIA LIMITED

We have examined the compliance of conditions of Corporate Governance by CONTAINER CORPORATION OF INDIA LIMITED for the year ended 31st March, 2024 as stipulated in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [SEBI (LODR) Regulations] in respect of Equity Shares of the Company listed with Stock Exchanges and the DPE guidelines on Corporate Governance for Central Public Sector Enterprises issued by the 'Department of Public Enterprises', Ministry of Heavy Industries and Public Enterprises, Government of India.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination, carried out is in accordance with the Corporate Governance (Models of Best practices) issued by the Institute of Company Secretaries of India, was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of certification and have been provided with such records, documents, certification, etc. as had been required by us.

In our opinion and to the best of our knowledge and information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI (LODR) Regulations and in the guidelines on corporate governance issued by the 'Department of Public Enterprises' except to the extent mentioned below:

During the period under review, the composition of the Board was not in compliance with Regulation 17 of SEBI (LODR) Regulations, 2015 and para 3.1.4 of DPE Guidelines on Corporate Governance with regard to Composition of the Board of Directors due to non-appointment of requisite number of Independent Directors on the Board of the Company.

We further state such compliance is neither an assurance as to further viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

In alignment with mission of the company, its CSR initiatives shall aim at earning community/societal goodwill for CONCOR and help enhance and reinforce its positive & socially responsible image as a corporate citizen. CONCOR will follow highest standards of business ethics and transparency to fulfill its commitment to its stakeholders to conduct business in an economically, socially and environmentally sustainable manner. Stakeholders include employees, investors, shareholders, customers, business partners, clients, civil society groups, Government and non-government organizations, local communities, environment and society at large.

CSR initiative at CONCOR will be based on its sensitivity to the needs of all the socially and economically downtrodden sections of the society. For spending the amount earmarked for CSR, the projects will be taken up in India and it shall give preference to local area and areas around which CONCOR operates, specifically in states where it is expanding its infrastructure including the aspirational districts as notified by Department of Public Enterprises. The objective of these initiatives would be to bring about positive results over a period of time, by enhancing the quality of life and economic well-being of the local populace.

Under CONCOR's CSR policy various thrust areas have been identified as per provisions of schedule VII of Companies Act 2013, which include health and medical care, sanitation, education/literacy enhancement, community development and rehabilitation measures, rural development, environment protection, conservation of natural resources, natural calamities and infrastructure development including other areas specified in Companies Act, 2013. CONCOR CSR activities will be executed within ambit of Companies Act, 2013.

A robust monitoring system is in place to ensure transparency and effectiveness of CSR programmes. Periodic monitoring is conducted through various modes such as site visits, regular project reporting, documentary evidence, impact assessment of projects etc. The implementation and monitoring of the CSR projects is in compliance with CSR objectives and CSR policy of CONCOR. Further, funds allocated for CSR activities have been utilized for the purpose and in the manner approved by the Board.

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED **MARCH 31, 2024**
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Container Corporation of India Limited
CONCOR Bhawan, C-3, Mathura Road,
Opposite Apollo Hospital, New Delhi-110076
CIN: L63011DL1988GOI030915

We report that:
We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Container Corporation of India Limited** (hereinafter called the "Company") having its Registered Office at CONCOR Bhawan, C-3 Mathura Road, Opposite Apollo Hospital, New Delhi - 110076. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Company's Responsibilities
The Company's Management and Board of Directors are responsible for the maintenance of secretarial record under the Companies Act, 2013 and compliance of the provisions of Corporate and other applicable laws, rules, regulations and standards. Further the Company's management and the Board of Directors are also responsible for establishing and maintaining adequate systems and process, commensurate with the size and operations of the Company to identify, monitor and ensure compliances with the applicable laws, rules, regulations and guidelines

Auditor's Responsibilities Statement
Our responsibility is only to examine and verify those compliances on a test basis and express an opinion on these secretarial records based on our audit.

We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.

We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.

The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Limitations
Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit

is properly planned and performed in accordance with the Secretarial Auditing Standards as prescribed by Institute of Company Secretaries of India (ICSI).

Further, we conducted the secretarial audit by examining the secretarial records including minutes, documents, registers, other records and returns related to the applicable laws on the Company etc. received via electronic means. The management has confirmed that the records submitted to us are true and correct. We have also relied upon representation given by the management of the Company for certain areas which otherwise requires physical verification.

Basis of Opinion

We have followed the audit practices, secretarial auditing standards and processes as were applicable and appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification in some cases was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion. We also believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Report on Secretarial Records and Compliances thereof

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024 according to the applicable provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;
(ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
    (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
    (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
    (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
    (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 [Not applicable to the company during the Audit Period];
    (e) The Securities and Exchange Board of India (Issue and Listing of Non-convertible Securities) Regulations, 2021 [Not applicable to the company during the Audit Period];
    (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;
    (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 [Not applicable to the company during the Audit Period];
    (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 [Not applicable to the company during the Audit Period];
    (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
    (j) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2008.

(vi) Other laws and guidelines applicable to the Company namely:

a) The DPE Guidelines;
b) The Competition Act, 2002;
c) The Delhi Shops and Establishments Act, 1954;
d) The Right to Information Act, 2005;
e) E-Waste (Management & Handling) Rules, 2011;
f) The Environment (Protection) Act, 1986 read with The Environment (protection) Rules, 1986; and
g) Labour and Social Security Laws as possible.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to conducting board and general meetings;
(ii) The Listing Agreement entered into by the Company with National Stock Exchange of India Limited and BSE Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;
(iii) Guidelines on Corporate Governance for Central Public Sector Enterprises (CPSEs) issued by the Department of Public Enterprises vide their OM No. 18(8)/2005-GM dated 14th May, 2010; and
(iv) Guidelines on Capital Restructuring of Central Public Sector Enterprises (CPSEs) as stipulated in the O.M. F.No. 5/2/2016-Policy dated 27th May, 2016 issued by Department of Investment and Public Asset Management (DIPAM), Ministry of Finance, Government of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, standards, etc. mentioned above subject to the following observation:

a. The number of Independent Directors on the Board was less than half of the total strength of Board as required under SEBI (LODR) Regulation and the DPE guidelines for which company has regularly written to its administrative ministry i.e. Ministry of Railways for appointment of appropriate number of Independent Directors on the board.

We further report that:
The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Director having women director and the composition of board is as per provisions of the Act. The Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. However, the Composition of the Board of Directors of the company was not having such number of Independent Directors as required under SEBI (LODR) Regulations and/or the DPE guidelines for which company has regularly written to its administrative ministry i.e. Ministry of railways for appointment of appropriate number of Independent Directors on the board.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that the compliance by the Company of applicable financial laws like direct and indirect tax laws and maintenance of financial records and books of accounts has not been reviewed in this Audit since the same have been subject to review by statutory financial audit by other designated professional.

ENVIRONMENTAL, SOCIAL AND GOVERNANCE (ESG) ACTIONS AT CONCOR

The economies in the world over are facing unparalleled challenges on various fronts, including the climate change, biodiversity loss, economic inequality, social insecurity, etc. There is a recognition that sustainable development is not possible unless the said issues are dealt with in a timely manner.

In order to overcome the challenges being faced, the society need to find new and innovative ways to carry out its activities and meet its requirements. This will be the collective effort of all the elements of society be it the people, Government, businesses, social sector, etc. Therefore, the businesses enterprises need to carry out their business in more responsible manner by inculcating the practices which are environment friendly and oriented towards welfare of society. In the long run, the entities which will imbibe best ESG principles in their businesses will survive and will be successful, as they will be considered more credible and reliable.

CONCOR team firmly believes in contributing and adopting best ESG principles in all of its activities. In its business of providing reliable and cost-effective logistics services to the trade and industry, it endeavours to create awareness and involve all stakeholders in value chain to contribute towards the environment and social goals. In its operations, it recognises that businesses are required to grow both financially and responsibly, which means ensuring growth with minimal impact on the environment, positive impact on society by demonstrating highest standards of governance. Due priority is given to the values and interests of all its stakeholders regularly, thereby it is working towards creating a sustainable environment and strengthening the communities in which it operates.

It is common knowledge that the last decade marked the onset of ESG related regulations and in the next decade, ESG will take the centre stage. With this clear understanding, CONCOR has been planning its actions focussed towards creating value for its stakeholders by giving emphasis on protecting environment, community development, taking care of the health, safety and wellbeing of its employees and creating a strong framework of governance. Some of the areas inter-alia where work on this front has been done in the Company are as under:

Protection of Environment:

CONCOR has always believed and promoted in its operations, the transportation of containers through rail as it is a more environment friendly mode of transportation in comparison to road. As per reports available, the movement done by rail versus road reduces CO_2 emission by around 89.5 gms. per tonne km. During the year 2023-24, CONCOR transported around 49.11 million tonnes of cargo over an average lead of around 894 kms using rail infrastructure. This effort of the Company is estimated to have helped in reduction of CO_2 emission by 3.93 million tonnes. In addition, the Company uses fuel efficient equipment like rubber tyre gantry cranes, reach stackers, efficient power packs and rail mounted gantry cranes in its operations. During the year, company has started using LNG trailers at its terminals. CONCOR complies with all relevant legislations with respect to handling and management of waste at its facilities.

Water and Energy Management:

Water is a vital resource for communities as well as for the ecology. In its efforts to support this crucial lifeline for the society, the Company has been taking measures for water conservation, which include efficient use of water, efforts for water recycle/ reuse, installation of rainwater harvesting systems. Zero wastage of water is ensured by providing sensor in water tanks and taps, which is monitored at regular intervals. The improvement in warehouse designing in its operations has helped in making them energy efficient. Initiatives have also been taken to use solar energy in some of the terminals of the Company.

Employee Welfare:

The Company always endeavours for stable work life balance for its employees and for creating shared value for all stakeholders i.e. internal and external. There is a separate department taking care of the Health, Safety and Environment (HSE) aspects in the organization. This Department has taken various initiatives, particularly during the Covid-19 pandemic, which include promoting use of masks, sanitizer and health hygiene activities. Providing guidance and support to the covid effected employees and their families, organizing yoga/ meditation sessions and

counselling from professionals to face the challenges and overcome the difficulties arising due to pandemic. The well-being of the employees physical and mental health is also promoted through providing facilities like gym and yoga classes in the office, making provision of sports gears like sports watch, badminton rackets, bi-cycle, cricket kit etc. The Company also promotes participation of its employees in various sports activities like joining marathon, cricket matches and other events. Further, exposure was given to employees during the year by organizing training or their participation in programs conducted by professional bodies, having topics on various matters, including on combating stress through creativity, gender sensitivity, leadership and crisis management.

Inclusive Growth:

The Company aims to conduct its business by contributing towards the socio-economic development of external and internal stakeholders. In this direction, it has taken various initiatives, which include the efforts made to promote the development of micro and small enterprises in the country. In this direction, in line with Government of India guidelines in the procurement, provisions have been made to give preference to micro and small enterprises. Further, regular monitoring of the timely payment to these enterprises is also done, which helps in their growth.

Development of Community:

CONCOR is committed for the overall development of the communities particularly those within which it operates. In this direction, various initiatives have been taken under the Corporate Society Responsibility (CSR), which include infrastructure development in schools, construction of public toilets, education of poor children, skill improvement, provision of food, health care activities, vaccination of the needy in the society, promoting cleanliness, etc. The Company aims to create an environment of inclusive growth of the society by helping the underprivileged sections in the areas of education, health, building infrastructure, etc. for which regular engagements are done with the communities.

Governance:

The Company believes in providing reliable, responsive, safe and value added services by following the highest ethical standards. It follows the best of the practices and policies in day to day management of its affairs. The commitment to follow best corporate governance practices is based upon transparency, fairness, conscience, team work, professionalism, equality and accountability. The guiding principles of corporate governance framework is based upon compliance of applicable laws, regulations in letter & spirit by adopting transparent system/ practices, to promote and safeguard the interest of all stakeholders, integrity and ethical behaviour of all personnel and having a climate of trust and confidence by means of transparent and timely disclosure of information. It has the policies in place in the form of code of conduct, whistle blower policy, coverage under RTI among others to promote ethical and transparent behaviour.

The efforts being made by the Company and its practices regarding ESG are covered in detail in the structured Business Responsibility & Sustainability Report (BRSR) for the year 2023-24, under the SEBI Regulations, in which reporting and evaluation have been done on the prescribed nine principles.

The company has a code of business conduct and ethics that covers a variety of topics, including how to handle conflicts of interest for board members and senior management. A clear procedure that allows Directors to abstain from conversations involving conflicts of interest has been established to resolve these conflicts. Directors have a responsibility to carry out their responsibilities in an honest way and in the best interests of the company. They must carry out their duties free from outside interference that can impair their capacity to make independent, unbiased decisions, which are essential for the Company's success. Furthermore, it is forbidden for Directors to misuse their positions to directly or indirectly benefit themselves at the expense of the Company. The Board of Directors (BOD) and senior management submit an annual declaration confirming their adherence to the Code of Conduct. The BODs are also required to submit the annual declaration confirming their participation in other companies. Code of Conduct: https://concorindia.co.in/assets/pdf/Code_of_conduct.pdf

2	a.	**Does the entity have procedures in place for sustainable sourcing?** (Yes/No)	The company is having its policy & detailed processes which it is following in its procurement and the same is reviewed from time to time. Being a Public Sector Undertaking, it is following the very transparent process in all its procurements. The main aim of its process of procurement is to achieve the right balance between costs and requirements by following five parameters called the Five R's of procurement. There are Right Quality, Right Quantity, Right Price, Right Time & Place and Right Source.	

			The procurements are done on the basis of the approved budget and financial vetting of the estimates. Tender/Quotation Opening & Evaluation Committees are constituted for purchases as per procedure laid down in the concerned manual and as per delegation given in DOP (i.e. Delegation of Powers). This committee consists of representatives from the user, finance and other departments. Delegation of powers are approved by the BOD of CONCOR. Offers from prospective bidders are invited according to a procedure that is transparent and enables the widest competition. Various modes of procurement that are used in procurement are open and limited tenders, procurement through panel of suppliers, single tender for critical/proprietary items with single source of supply, direct procurement through purchase committee, etc. The management of risks involved in procurement is done through a well-laid-down framework in which risks involved are identified, measured, monitored, mitigated through appropriate actions and for each element of risks all responsibilities lies with the nominated risk managers.

A distinct department is in charge of the organization's health, safety, and environmental (HSE) concerns. Employees' physical and mental									

		health are also fostered by offering facilities such as a gym and yoga courses at the workplace, as well as sporting equipment such as sports watches, badminton rackets, bicycles, cricket kits, etc. The company also encourages its staff to participate in other sporting activities such as marathons, cricket matches, and other events. Employees were also exposed throughout the year by organising training or participating in programmes run by professional groups that covered a variety of issues such as stress management via creativity, gender sensitivity, leadership, and crisis management. CONCOR provides its employees with a variety of benefits in the form of cafeteria perks and allowances, subject to a maximum ceiling. In addition to the allowance and benefits covered in the cafeteria approach, additional perks in the form of residential accommodation, telephone instrument/service, advances, and welfare amenities are also made available to the employees.		
	b.	*What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?* To ensure safety in the transportation of freight, it has been ensured that all wagons are equipped with load-sensing devices, and automatic twist devices so that there are no mishaps. Further, efforts have also been made to ensure that the cargo is transported pilferage-free, for which anti-pilferage devices have been installed. The Company provides real-time information to its customers on container movement through the use of the latest technology and ensures quick redressal of consumer complaints. All movement of containers by rail is in strict compliance with the safety guidelines prescribed by the Ministry of Railways, from time to time. Safety Slogans are displayed at prominent locations at various terminals of CONCOR. To enhance freight transportation safety, all waggons have been fitted with load-sensing systems and automated twist mechanisms to prevent disasters. Additionally, measures have been taken to guarantee that the cargo is carried pilferage-free, with anti-pilferage devices fitted. The company uses cutting-edge technology to give its clients real-time information on container movement and guarantees that consumer concerns are resolved quickly. All container movement by rail adheres strictly to the safety rules established by the Ministry of Railways from time to time. Safety slogans are prominently featured at several CONCOR ports. ISO certification is accessible for the majority of the company's units. The Disaster Management System has been hosted on the CONCOR website and is working effectively.

Leadership Indicators		
1	**Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.**	We strive to create value for all of our stakeholders. We engage with important stakeholder groups to better understand their viewpoints and meet their requirements. These continuing collaborations enable us to discover and track major economic, environmental, and social trends that may be incorporated into our entire company plan. At CONCOR, the stakeholder engagement system is a fundamental driving force in building and broadening stakeholder relationships, hence facilitating the identification of key material concerns affecting the Company's growth. The stakeholder interaction resulted in the prioritising of material concerns, mapping of the risks pertinent to each material subject, and the formulation of subsequent risk mitigation procedures. The fundamental consequence of the stakeholder engagement process was the identification and prioritising of material concerns including the environment, social, governance, and economic elements. The identified major challenges were given to the highest governing member and the Board for comments and assistance on developing the Company's sustainable growth strategy. The stakeholder engagement exercise is reviewed on a regular basis as part of the Company's ongoing efforts to interact with internal and external stakeholder groups in order to identify major material concerns affecting them.
2	**Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.**	Yes, CONCOR has always maintained a frequent and proactive interaction with the Company's major stakeholders, allowing it to successfully work on its ESG strategies while being honest about the results. In response to current rules and stakeholder interactions, the company conducts periodic assessments to update and reissue policies as appropriate.
3	**Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.**	CONCOR is constantly cognizant of its responsibility and works with the most disadvantaged and vulnerable members of society. Our primary interaction channels are with local communities and other stakeholders such as SMEs and MSMEs through our CSR initiatives. We communicate with them often using need assessments and other participatory ways to better understand their needs and the impact of our initiatives. NOTES FORMING PART OF FINANCIAL STATEMENTS

NOTE 1: MATERIAL ACCOUNTING POLICIES

1. Corporate Information

Container Corporation of India Limited (CONCOR), was incorporated on 10 March 1988 under the Companies Act with registration number 030915, and commenced its operation from November 1989 taking over the existing network of 7 ICDs from the Indian Railways. The shares of the Company are listed on two stock exchanges in India i.e. National Stock Exchange of India Limited (NSE) and BSE Limited (BSE).

From its humble beginning, it is now an undisputed market leader having the largest network of 66 ICDs/CFSs/Strategic Tie-ups in India. In addition to providing inland transport by rail for containers, it has also expanded to cover management of Ports, air cargo complexes and establishing cold-chain. It has and will continue to play the role of promoting containerization of India by virtue of its modern rail wagon fleet, customer friendly commercial practices and extensively used Information Technology. The company developed multimodal logistics support for India's International and Domestic containerization and trade. Though rail is the main stay of our transportation plan, road transportation is and also provided to cater the need of door-to-door services both in the International and Domestic business segment.

2. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind ASs') notified by the Central Government under section 133 of the Indian Companies Act, 2013 as Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

3. Basis of preparation

The financial statements have been prepared on the historical cost basis except financial instruments that are measured at revalued amounts or fair values at the end of each reporting period. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except for leasing transactions that are within the scope of IND AS 116 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

4. Recent pronouncements

There were no recent pronouncements notified by Ministry of Corporate Affairs ("MCA").

5. Property, plant and equipment:

(i) Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. Cost includes net of interest on capital advances and is inclusive of freight, duties, taxes and other incidental expenses. In respect of assets due for capitalization, where final bills/claims are to be received/passed, the capitalisation is based on the engineering estimates. Final adjustments, for costs and depreciation are made retrospectively in the year of ascertainment of actual cost and finalisation of claim. Items such as spare parts, stand-by equipment and servicing equipment are recognised in accordance with this Ind AS 16 when they meet the definition of property, plant and equipment.

(ii) Capital work in progress includes the cost of fixed assets that are not yet ready for their intended use and the cost of assets not put to use before the Balance Sheet date.

The expenditure incurred on survey, evaluation & investigation of projects, is booked under Capital Work-in Progress. However, at any stage, if management decides to abandon a project the expenditure incurred thereon is charged to the Statement of Profit & Loss at that stage.

(iii) Provision for stamp duty at the prevailing rate is made by the company at the time of capitalization of the amount paid for acquisition of land & is capitalised as part of the cost of Land.

Depreciation/Amortization:

(iv) Property, plant and equipment are depreciated over its useful life and in the manner prescribed in Schedule II to the Companies Act 2013, other than as prescribed below:

- Assets constructed on leasehold land, other than perpetual leases are depreciated over the period of lease or useful life of such assets, as prescribed under Schedule II of Companies Act 2013, whichever is less.

In respect of assets whose useful lives has been revised, the unamortised depreciable amount is charged over the revised remaining useful lives of the assets.

(v) Capital expenditure on enabling assets, like roads, culverts & electricity transmissions etc., the ownership of which is not with the Company are charged off to revenue in the accounting period of incurrence of such expenditure. However, capital expenditure on enabling assets, ownership of which rests with the company and which have been created on land not belonging to the Company is written off to the Statement of Profit & Loss over its approximate period of utility or over a period of 5 years, whichever is less. For this purpose, land is not considered to be belonging to the company, if the same is not owned or leased/licensed to the company.

(vi) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

(vii) Non-current assets (or disposal groups) are classified as assets held for sale when a sale is considered highly probable and their carrying amount is to be recovered principally through a sale transaction rather than through continuing use. Non-current asset (or disposal groups) classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment and intangible assets are not depreciated or amortized once classified as held for sale.

6. Intangible Assets:

Expenditure on computer software, which is not an integral part of hardware, is capitalised as an intangible asset. The cost of software includes license fee and implementation cost and is capitalised in the year of its implementation. Software is amortized over five years being management's estimate of life of assets over which economic benefits will be derived. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

7. Impairment of Non-financial Asset:

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual

cash-generating units, or otherwise they are allocated to the smallest Component of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

8. Inventories:

Stores and spare parts are valued at cost on weighted average basis or Net Realizable Value (NRV) whichever is lower. Provision for obsolescence is made, whenever required.

9. Employee Benefits:

(i) Liability for gratuity, leave salary and post retirement medical benefits payable to employees is provided for on accrual basis using the Projected Accrued Benefit Method (Projected Unit Credit Method with control period of one year) done by an independent actuary as at the Balance Sheet date. Contributions are made to approved gratuity fund created in a separate trust set up by the company for this purpose.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item [‘employee benefits expenses]. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the company’s defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Termination benefits are immediately recognised in the statement of profit or loss account .A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

(ii) Contribution to defined contribution plans such as Provident Fund, Pension Fund and Family Pension Fund are charged to the Statement of Profit & Loss as and when accrued.

(iii) The undiscounted amount of short term employee benefits expected to be paid for the services rendered are recognized as an expense during the period when the employees render the services.

10. Foreign Currency Transactions:

Functional currency: The functional currency of the Company is the Indian Rupee. These financial statements are presented in Indian Rupees.

(i) Income, Expenditure & Assets denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.

(ii) Loans, Current liabilities and Current assets in foreign currencies are translated at the exchange rate prevailing at the end of financial year.

(iii) Gains or losses due to foreign exchange fluctuations are recognised in the Statement of Profit & Loss.

(iv) Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not translated.

(v) The date of transaction (which includes receipt or payment of advance consideration in a foreign currency) for the purpose of determining the exchange rate, is the date of initial recognition of the non monetary asset or non monetary liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt.

11. Revenue Recognition:

1. Basic principal for Revenue Recognition
   i. Revenue is recognized on satisfaction of each performance obligation (distinct services) as per the terms of the contract.

   ii. Performance obligations are treated as distinct obligation:
   a) When it is identifiable separately from other obligations in the contract;
   b) Its progress can be measured separately;
   c) Transaction price to the performance obligation can be allocated;
   d) The customer will not be required to re-perform the services already performed in case it decides to terminate the contract at that stage;
   e) There will not be any impairment in the value of services already performed; and
   f) The customer can get the rest of the performance without intervention of CONCOR.

   iii. Satisfaction of performance obligation: Container movement between two destinations is considered distinct performance obligation under each contract and the contract is treated as 'over the period contract'.

   iv. Transaction price for each primary obligation is fixed at the time of entering into contract. Rates at which incidental services are charged are also known at the time of entering into contract. Therefore "output method" of revenue recognition is applied.

   v. Volume discount scheme (VDS) is in the nature of variable consideration. Since, VDS is not universally applicable to all contracts, fair estimate is made of such consideration payable in specific cases and is deducted from Gross Revenue to reflect revenue net of variable consideration on the reporting date.

2. Rail Freight Income: Rail freight income and charges for incidental services and related expenses are accounted for on satisfaction of performance obligation i.e., transportation of container to the destination terminal/port/customer's premises (in case of chassis delivery) after providing all incidental services required in the course of primary obligation of transportation like loading & unloading etc. to make the container/cargo ready for delivery.

3. Road Freight Income: Road freight income and charges for incidental services and related expenses are accounted for on satisfaction of performance obligation i.e., transportation of container to the destination

terminal/port/customer's premises after providing all incidental services required in the course of primary obligation of transportation like loading & unloading etc. to make the container/cargo ready for delivery.

However, in case of door to door delivery via rail movement, road freight income and charges for incidental services are accounted for on arrival of container at the originating CONCOR Terminal from customer premises.

4. Warehousing Income:
   a) Warehousing Charges in domestic segment are recognized on accrual basis.
   b) Warehousing Charges in EXIM segment are recognized at the time of release of cargo to the customer.

5. Terminal service charges:
   a) Terminal Service Charges (TSC) on empty containers and loaded domestic containers are recognized on accrual basis.
   b) Terminal Service Charges (TSC) on EXIM loaded containers are recognized at the time of release of containers.

6. Dividend income is recognized when the company's right to receive the dividend is established.

7. Interest income from deposits is recognized on accrual basis.

8. Interest on income tax refunds are accounted for on the finalization of assessments.

12. Claims/Counter-claims/Penalties/Awards:

Claims/counter-claims/penalties/awards are accounted for in the year of its settlement.

13. Taxes on Income:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

14. Investment in equity instrument of consolidated entities

The Company's investment in equity instruments of subsidiaries and joint ventures are accounted for at cost.

15. Provisions, Contingent Liabilities & Contingent Assets:

a. **Provisions**

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

b. **Onerous contracts**

Onerous Contracts: A contract is considered as onerous when the expected economic benefits to be derived by the company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the company recognises any impairment loss on the assets associated with that contract.

c. **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

d. **Contingent Assets**

Contingent assets are not recognized in the Financial Statements. However they are disclosed when the possible right to receive exists.

16. Earnings per share (EPS)

Basic earnings per share ('EPS') is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the result would be anti-dilutive.

17. Cash and Cash Equivalent

In the cash flow statement cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

18. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand -alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company as a Lessee

At the date of the commencement of the lease, the Company recognizes a right-of-use assets ('ROU') and a corresponding lease liability for all the lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and low value leases, the Company recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

In determining the lease term, Company considers the Option to extend/terminate the lease, wherever it is reasonably certain to exercise such option.

Lease liability is initially measured at the present value of future Lease payments due to the lessor over the lease term, with the discount rate determined by reference to the rate implicit in the lease and in case it is not determinable, Company's incremental borrowing rate on commencement of the lease is used. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The Company only include variable lease payments in measurement of the lease liability if they depend on index or rate. Other variable lease payments are charged to statement of profit & loss.The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

The Company recognizes the amount of the re-measurement of lease liability due to reassessment/ modification as an adjustment to the rightof-use asset and statement of profit and loss depending upon the nature of reassessment/modification. However, lease modification is accounted as separate lease if the modification increases the scope of the lease by adding the right to use one or more underlying assets and the consideration for lease increases by an amount commensurate with stand-alone price for the increase in the scope.

The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. They are subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any re- measurement of the lease liability.

Right-of-use assets are depreciated on a straight-line basis over the lease term or remaining useful life of the underlying assets as prescribed in IND AS 16 (PPE)/Schedule II of Companies Act 2013, whichever is shorter.

The Company as a Lessor

Leases for which the Company is a lessor is classified as finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as finance lease. All other leases are classified as operating leases.

For operating leases, the rental income/lease payments received are recognized on straight-line basis over the lease term.

For finance leases, finance income is recognized over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. The Company assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. However, if a head lease is a short term lease, wherein the Company has accounted lease payments on straight line basis, then it classifies the sub-lease as an operating lease.

19. Financial instruments

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

i. **Debt instrument/Tax free bonds at amortised cost –** A debt instrument at the amortised cost if both the following conditions are met:

   a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
   b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

   After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Equity instruments** – All equity instruments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

iii. **Mutual Funds** – All mutual funds in scope of Ind-AS 109 are measured at amortised cost and the (FVTPL) since they could be readily available for sales with significant change in value of the cash inflows.

De-recognition of financial assets
A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial Liabilities
Initial recognition and measurement
All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified at amortised cost.

Subsequent measurement
Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. This category generally applies to long-term payables and deposits.

De-recognition of financial liabilities
A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments
Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Financial guarantee contracts
A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

20. Impairment of financial asset

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivable
As a practical expedient the Company has adopted ‘simplified approach’ using the provision matrix method for recognition of expected loss on trade receivables. The provision matrix is based on historical default rate observed

over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical default rates are updated and changes in the forward-looking estimates are analysed. Further receivables are segmented for this analysis where the credit risk characteristics of the receivables are similar.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

21. Registration Fee:

Registration fee paid to Ministry of Railways (MOR) for movement of container trains on Indian Railways Network and running of Private Freight Terminals (PFT) is shown as Prepaid Expenditure under 'Current Assets' and 'Non Current Assets'. The registration fee is amortized over the period covered by the respective agreements with Indian Railways.

22. Significant management judgement in applying accounting policies and estimation uncertainty

Significant management Judgements

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Recognition of deferred tax assets: The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised.

Estimation certainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual result may be substantially different.

Defined benefit obligation: Management estimates of these obligation is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the defined benefit obligation amount and the annual defined benefit expenses.

Provisions: At each balance sheet date based on management judgement, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be deferent from this judgement.

23. Grants:

Grants are recognized when there is a reasonable assurance that the company has complied with the conditions attached to them and it is reasonably certain that the ultimate realization and utilization will be made. Grants which are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company, with no future related costs are recognized in the statement of profit & loss of the period in which they have accrued.

Grants related to depreciable assets including non-monetary grants (at fair value), are presented in the balance sheet as "Deferred Income" of the period, in which they become receivable. Such grants are usually recognized in the statement of profit & Loss over the periods in the proportions, in which depreciation expense on those assets is recognized.

The grants under 'Served from India Scheme (SFIS)' are recognized at the time of utilization of SFIS Scrip towards procurement of assets and inventories. Such assets/inventories have been capitalized with a gross value from transaction date based on deemed cost exemption availed by the Company.

The grants under 'Service Export from India Scheme (SEIS)' are recognized when the conditions attached with the grant have been satisfied and there is reasonable assurance that the grants will be received. These are recognized in the period in which the right to receive the same is established i.e. the year during which the services eligible for grant of SEIS have been performed.

24. Segment reporting

The Company's segmental reporting is in accordance with Ind AS 108 Operating Segments. Operating segments are reported in a manner consistent with the internal reporting provided to the board of directors, which is responsible for allocating resources and assessing performance of the operating segments, and has been identified as the chief operating decision maker.

25. Borrowing Cost:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

12.1 Credit risk management

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. At the inception of a service contract, the Company collects the predetermined expected dues in advance. The balance of trade receivables represents the additional amounts charged to the customers over and above the amount already collected towards the expected dues in advance. For the recovery of balance contractual payments, the Company has a legal right to auction the material of the customers and recover the dues in terms of the provisions contained in Customs Act, 1962. Thus the Company has limited exposure to credit risk.

12.2 Credit risk concentration

The concentration of credit risk is limited due to the fact that the customer base is large and unrelated. Customers represent more than 5% of the total balance of trade receivables comprise of the following:

Particulars

1. M/s Western Carriers India Pvt Ltd.
2. M/s Hapag Lloyd India Pvt Ltd.
3. M/s Maersk Line India Pvt Ltd.
4. M/s Food Corporation of India

12.3 Allowance for expected credit loss

The Company has used a practical expedient by way for computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The movement in the expected credit loss allowance at the end of the reporting period is as follows:

*As per CONCOR House Building Advance Rules, CONCOR is providing House Building Advance (HBA) facility to all regular employees of the Corporation, who on the date of submitting application for advance have rendered not less than three years' continuous services. As per earlier HBA rules, simple interest @ 5% per annum on the loan amount up to ₹ 5.5 lakhs & interest @ 7.5% per annum on loans beyond ₹ 5.5 lakhs. Rebate was provided "in case of employees superannuating from CONCOR services or die in harness or become medically incapacitated for reasons not connected with intemperate habits or putting 10 years of minimum regular service from the date of availed of advance, a rebate @ 50% in the interest rates was allowed". During the Financial Year 2022-2023, the company has changed its policy and decided that interest @ 3 % will be charged on HBA's or where the HBA amount/interest is outstanding as on date or the rebate for the loan is yet to be availed. Resultantly HBA interest was recalculated from date of disbursement of loan & benefit of the same was passed on to employee amounting to ₹ 11.35 crores. Rebate on HBA amounting to ₹ 0.50 crores is for F.Y 2022- 23 & ₹ 10.85 crores for previous years. Hence, in F.Y. 2022-23 "Interest income earned on Financial assets carried at amortised cost" on loans given to employees is ₹ (3.36) crores.

Accordingly, the Company has recognized provision for income tax for the year ended 31st March 2024 & 31st March 2023 and re-measured its deferred tax assets/ liabilities on the basis of the above option.

36. Employee Benefit Plans

A. Defined Contribution Plans

a) Employers Contribution to Provident Fund

Company pays fixed contribution to Provident Fund at predetermined rates to a separate trust, which invests the fund in permitted securities. The contribution to the fund for the period is recognized as expense and is charged to the profit & loss account. The obligation of the company is limited to such fixed contribution. However, the trust is required to pay a minimum rate of interest on contributions to the members as specified by Government. As per actuarial valuation such liability is NIL as at March 31, 2024 (as at March 31, 2023: NIL).

C. Defined Benefit Plans and Other Long Term Benefits

a) Contribution to Gratuity Funds - Employee's Gratuity Fund.

The Company has a defined benefit gratuity plan, which is regulated as per the provisions of Payment of Gratuity Act, 1972. The scheme is funded by the company and is managed by a separate Approved Trust. The liability for the same is recognized on the basis of actuarial valuation.

b) Leave Encashment/ Compensated Absence. :

The company has a defined benefit leave encashment plan for its employees. Under this plan, they are entitled to encashment of earned leaves and medical leaves subject to certain limits and other conditions specified for the same. The liabilities towards leave encashment have been provided on the basis of actuarial valuation.

c) Retirement Allowance:

The company has formed a medical trust, which takes care of medical needs of its employees after their retirement. Their entitlement for reimbursement of medical expenses is regulated as per the policy. The liability for the same is recognized on the basis of actuarial valuation.

These plans typically expose the company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest Risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life's expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2024 by M/s SS Consultancy. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

An actuarial valuation was carried out in respect of the aforesaid defined benefit plans and other long term benefits based on the following assumptions:

The return on the investment is the nominal yield available on the format of investment as applicable to Approved Gratuity Fund under Rule 101 of Income Tax Act 1961.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Gratuity

- If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by ₹6.59 crore (increase by ₹7.38crore) (as at March 31, 2023: decrease by ₹ 6.60 crore (increase by ₹7.40crore)).
- If the expected salary growth increases (decreases) by 100 basis points, the defined benefit obligation would increase by ₹ 1.19crore (decrease by ₹1.22 crore) (as at March 31, 2023: increase by ₹ 1.25 crores (decrease by ₹ 1.21crores))

The estimated term of the benefit obligations in case of gratuity is 8.92 years (As at March 31, 2023: 9.10 years)

The company expects to contribute ₹ 5.66 crore to its gratuity plan in the next financial year.

Leave Encashment

- If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by ₹ 5.69crore (increase by ₹6.46crore) (as at March 31, 2023 decrease by ₹ 5.87 crore (increase by₹ 6.44 crore)
- If the expected salary growth increases (decreases) by 100 basis points, the defined benefit obligation would increase by ₹ 6.62 crore (decrease by ₹ 5.93 crore) (as at March 31, 2023: increase by ₹ 6.59 crore (decrease by ₹ 5.93 crores)

The estimated term of the benefit obligations in case of Leave Encashment is 8.92 years (As at March 31, 2023: 9.10 years)

Post retirement Benefits

- If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by ₹ 8.98 crore (increase by ₹ 11.53 crore) (as at March 31, 2023: decrease by ₹ 10.01crore (increase by ₹ 12.98 crore)).

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There has been no change in the process used by the Company to manage its risks from prior periods.

Note 38: Segment Information

Services from which reportable segments derive their revenues

The Segment reporting disclosed by the Company in this section is presented in accordance with the disclosures requirements of Ind AS 108 "*Operating Segment*".

Information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of segment performance focuses on the divisions operated in the company. There are two major operating divisions- EXIM and Domestic, which are organized on All India basis. The information is further analysed based on the different classes of customers. Both EXIM and Domestic divisions of the company are engaged in handling, transportation & warehousing activities. The Company has not aggregated any operating segments for presentation purposes.

As at March 31, 2024, the operating segment of the Company are as under:

(a) The Company is organised into two major operating divisions- EXIM and Domestic. The divisions are the basis on which the Company reports its primary segment information. Segment revenue and expenses directly attributable to EXIM and Domestic segments are allocated to the two segments. Joint revenue and expenses have been allocated on a reasonable basis. Segment assets include all operating assets used by a segment and consist principally of inventories, sundry debtors, cash and bank balances, loans & advances, other current assets and fixed assets net of provisions. Similarly, segment liabilities include all operating liabilities and consist principally of sundry creditors, advance/deposits from customers, other liabilities and provisions. Segment assets and liabilities do not, however, include provisions for taxes. Joint assets & liabilities have been allocated to segments on a reasonable basis.

(b) As the operations of the Company are presently confined to the geographical territories of India, there are no reportable geographical segments.

Note 39: Lease Arrangements

As a lessee

The Company has entered into Operating leases arrangements for Land, Vehicles, Containers, Plant & Machinery, Railway Wagons/Rakes, Office Premises, Accommodation Provided to Staffs etc. with different lease terms.
The Company has accounted lease payment associates with short term leases (having lease term of 12 months or less) and leases of low value assets (less than ₹ 3.5 lakhs) as an expense on either a straight-line basis over the lease term or another systematic basis.

The Company has entered into agreement(s) with Indian Railways, for utilization of its land leased to CONCOR for setting up of Company's Terminals and carrying out Company's operations at such terminals.

In FY 2020-21, Ministry of Railways, Government of India vide its order no.2015/LML-II/13/4 dated 19.03.2020, had communicated that the Land License Fee (LLF) applicable on the Railway land leased to CONCOR shall be charged w.e.f. 01.04.2020 as per extant policy of Railways i.e. @6% of the value of land, which will be further increased 7% annually. Subsequently, superseding all previous policies/ guidelines, Railways has issued a Master Circular (MC) on Policy for Management of Railway Land on 4th October 2022. In the MC, it has been reiterated that annual LLF on the existing land will be payable @6% of Market Value (MV) of land with annual escalation of 7%. The MV will be the industrial rate specified in the State and when it is not specified in the State, then any other rate depending upon use of surrounding land as specified by the State/ Revenue Office, shall be considered.

On the basis of above MC of Railways, LLF for the FY 2023-24 has been booked on the MV of Railways' land parcels obtained by CONCOR. In some cases, where there is inconsistency in the assessment of land area and MV of land between the Company and the Railways, the same is being reconciled with the concerned divisional Railways. Further, in terms of the MC the new Agreement(s) with the Railways for the land parcels leased to CONCOR will be executed as and when the same are finalized by Railways.

In view of above, the quantification of company's potential exposure for land licensed by Indian Railways in future is not ascertainable. Therefore, the Company has not recognized Right of Use (ROU) Asset and Lease Liability for lands licensed by Indian Railways.

Other financial liabilities	1,176.71	1,046.05

(iii) Financial risk management objectives

The Company’s corporate treasury function monitors and manages the financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk and price risk), credit risk and liquidity risk.

(iv)Market Risk

The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates.
Market risk exposures are measured using sensitivity analysis.
There has been no change to the Company's exposure to market risks or the manner in which these risks are being managed and measured.

(v) Foreign Currency risk management

The company is not subject to significant transactions denominated in foreign currencies. The company does not have earnings in foreign currency but the foreign currency outgo made during the year is ₹0.63crore (2022-23 :₹ 0.50 crore) against which the net gain/(loss) on foreign currency transactions recorded in the books is insignificant .Consequently, exposures to exchange rate fluctuations are limited.

(vi) Interest rate risk management

The Company has not availed borrowings, hence is not exposed to interest rate risk.

(vii) Other price risks

The company is not exposed to price risk as its investments in debt based marketable securities are held in a business model to collect contractual amounts at maturity and are carried at amortised costs. Thus the change in fair value of these investments does not impact the Company.

These investments are tradable in market. A 10% increase / decrease in the market price of these investments as at March 31 2024 will lead to ₹ 56.40 crore (As at March 31 2023: ₹ 69.57crore) increase / decrease in the fair value of these investment.

(viii) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has limited exposure to credit risk owing to the balance of trade receivables as explained in Note no. 12. Company's bank balances and investments in marketable securities are held with a reputed and creditworthy banking institution resulting to limited credit risk from the counterparties.

The Company is exposed to credit risk in relation to letter of comfort given to banks on behalf of subsidiaries / joint venture companies. The Company's maximum exposure in this respect is the maximum amount the Company could have to pay if the guarantee is called on as at March 31, 2024 is ₹ 2.03crore (As at March 31, 2023: ₹ 51.31crore)

(ix)Liquidity risk management

The Company manages liquidity risk by maintaining adequate reserves and continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

c. The Company has given Letter of Comfort to bank(s) on behalf of subsidiaries companies.	2.03	51.31
d. Claims against the Company not acknowledged as debt, net of advances/payments under protest, arbitration, court orders, etc. [include claims of ₹835.34crore (2022-23 ₹641.54crore) pending in arbitration/courts pursuant to arbitration awards]*	1,348.04	1,044.11

*The Management has assessed the above claims and recognized a provision of ₹ Nil crore (PY 0.24 crore based on probability of outflow of resources embodying economic benefits and estimated ₹ 1,348.04 crore (PY: ₹ 1,044.11 crore) as the amount of contingent liability including LLF demand from railways for few terminals i.e. amounts for which Company may be held contingently liable. In respect of such estimated contingent claims either outflow of resources embodying economic benefits is not probable or a reliable estimate of the amount required for settling the obligation cannot be made. In respect of the rest of the claims/obligations, possibility of any outflow in settlement is considered as remote.

e. Contingent liabilities are disclosed to the extent of claims received and include an amount of ₹40.12crore (2022-23 ₹ 30.53 crore), which may be reimbursable to the company. Any further interest demand on the basic claim is not considered where legal cases are pending, as the claim itself is not certain. No provision has been made for the contingent liabilities stated above, as on the basis of information available, careful evaluation of facts and past experience of legal aspects of the matters involved, it is not probable that an outflow of future economic benefits will take place.

f. A demand of ₹ 158.84 crore received from SDMC towards property tax of ICD/Tughlakabad whereas as per the opinion of Advocate no provision of property tax was being made in the books earlier and no demand were ever received in this regard. Out of ₹ 158.84crore an amount of ₹ ₹ 23.06crore (2023-24 : ₹3.55crore , 2022-23 : ₹7.25 crore & 2020-21 :₹10.76crore& 2019-20 :₹1.50 crore) has been deposited with SDMC towards service charge as applicable on other PSU i.e M/s DMRC . Stay order has been granted by H'nable Delhi High Court & Final Order is awaited. ₹ 135.78crore has been included in the contingent liability.

g. Disallowance of SFIS Scrips For AY 2013-14 was quashed by Hon’ble ITAT/Delhi and Department has filed appeal against the orders with Hon'ble High Court/Delhi and the same is pending with Hon'ble High Court/Delhi.

In respect of AY 2008-09, department has filed a Miscellaneous application in ITAT for disallowance of 80IA-Rail System (Rolling Stock). The same matter has already been allowed in favor of CONCOR by Apex Court in case of AY 2003-04 to AY 2005-06. The case in respect of AY 2008-09 is pending for decision in ITAT.

In respect of AY 2014-15, CONCOR's appeal against "Disallowance of ₹ 5.46 Crores w.r.t. amortization of leasehold land" was allowed by ITAT and referred to AO for statistical purpose vide ITAT Order (ITA No. 2367/Del/2018) dated 10.03.2021.

Further, CONCOR's appeal against "Disallowance of ₹ 1.51 Crores w.r.t. Prior Period Expense" was allowed by CIT (A), Delhi-2 vide its order (10420/2019-20) dated31.10.2023

Note 53

Works carried out by Railways/its units for the company are accounted for on the basis of correspondence /estimates/advice etc.

Note 54

India Gateway Terminal (P) Ltd. (IGTPL) is a joint venture of CONCOR with Hindustan Ports Pvt. Ltd & others for setting up and managing of container terminal at Cochin. Though CONCOR's share in the accumulated losses (as per unaudited financial statements for FY 2023-24) of this JV are as at ₹ 44.69crores& does not exceeds its investment of ₹ 54.60 crores as on 31st March 2024, no provision for diminution in the value of investment has been made, as with the management's consistent review and implementation of appropriate business strategy, the company has already made a turnaround. The same is clearly established from the unaudited financial statements of IGTPL for FY 2023-24.

Management has also tested this investment for impairment in accordance with the conditions laid own under IND AS-36 "Impairment of Assets". As per the impairment testing carried out by the management, it has been established that the Value in Use i.e., the present value of future expected cash flows that will accrue from the improving/enhancing of its asset's performance exceed the carrying value of investment. IND AS-36 states that impairment needs to be provided if and only if the carrying value of investments exceeds its value in use or fair value.

Note 55

(a). Fresh & Healthy Enterprises Limited (FHEL), is a wholly owned subsidiary of the company. The carrying amount of company's investment in FHEL as on 31.03.2024 is ₹ 204.03 crores in the books of the company. Impairment testing report of FHEL as on 31.03.2024 has indicated that recoverable value of assets of FHEL as on 31.03.2024 is ₹198.95 Crores against the carrying amount of FHEL investment in books of Container Corporation of India Ltd. of ₹ 204.03 Crores. Accordingly, an amount of ₹ 5.08 Cr. (Previous Year :Nil) has been recognised as impairment loss in profit & loss statement and the same has been recognised as exceptional item in statement of profit & loss.

(b) CONCOR Air Limited (CAL), is a wholly owned subsidiary of the company. The carrying amount of company's investment in CAL as on 31.03.2024 is ₹ 35.40 crores in the books of the company. Impairment testing report of CAL as on 31.03.2024 has indicated that recoverable value of assets of CAL as on 31.03.2024 is ₹ 34.37 Crores against the carrying amount of CAL investment in books of Container Corporation of India Ltd. of ₹ 35.40

Crores. Accordingly, an amount of ₹ 1.03 Cr. (Previous Year :₹ 1.25 Cr.) has been recognised as impairment loss in profit & loss statement and the same has been recognised as exceptional item in statement of profit & loss.

(c) Pipavav Integrated Logistics Hub (PILH), a JWG (A business arrangement with Central Warehousing Corporation to operate the Logistics facility at Pipavav Port). The JWG so formed with an investment of ₹ 10 Crores (₹ 5 Crores each by both the parties equally i.e. CONCOR and CWC). In the initial phase of entity, there was no business in terms of TEUs. The operations started from Sep.2019, total TEUs handled during the FY 2019-20 was 911 TEUs. During the same year, due to the out-break of Covid-19 in December, 2019 operations were restricted. Thereafter, there was no volume/business on account of PILH due to COVID lockdown. Therefore, vide letter no. CON/IM/401/16 Dt.02.07.2020., it was decided to pre-close JWG agreement due to economic non-viability of the JWG-PILH and to terminate the agreement with effect from 02.07.2020. The carrying amount of company's investment in PILH have been ₹ 1.03 crores in the books of the company. Accordingly, the company has written off investment of ₹ 1.03 crore in M/s PILH and the same has been recognised as exceptional item in statement of profit & loss

Note 56

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
CONTAINER CORPORATION OF INDIA LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of CONTAINER CORPORATION OF INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information (herein after referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw the attention to:

a) Refer Note no. 30, 39 and 51, which describe payment of Land License Fee to Indian Railways for land leased to it on the basis of company assessment in line with Master circular dated 04.10.2022 issued by Railway and is not final. In view of the uncertainty of the lease terms, no Right of Use (ROU) has been assessed as required under Ind AS 116.

Our conclusion is not modified in respect of these matters

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year ended 31st March 2024. These matters were addressed in the context of our

audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be key audit matters to be communicated in our report

Key Audit Matter	**How our Audit Addressed the Key Audit matter**
Demand raised by Railways against the company:	Our audit procedures included the following:
The company has received demand against Land Licence fee for three terminals namely Phillaur for Rs.15.96 Crores, Tughlakabad for Rs.677.68 Crores and Moradabad for Rs.5.58 Crores.	• Discussion with the management on the policy matter of land licence fee (LLF) payable to Railway. • The Railway Board As per Master Circular issued by Railways on 4.10.2022, the annual Land Licence fee will be payable @ 6% of market value of land with annual escalation of 7%. The market value is to be taken as Industrial land rate specified in the State(s). The company has assessed the liability of LLF based on the area of land measured under Joint inspection of company and Railway and calculated the LLF by applying industrial land rates taken from respective Land Revenue Authorities. • In said cases, the demand is mainly due to differences in assessment of land area and market value of land between the company and Indian Railways (IR). The same are being reconciled with respective Divisional offices of IR, which are under their consideration for necessary correction. • We have obtained representation letter from the management on the assessment of these matters as per SA 580 (revised).

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Director's Report including annexure to Director's Report, Business Responsibility Report, Corporate Governance, ten years Financial/physical performance and data and letter from CMD included in the annual report of the company, but does not include the standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

a) Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Control System in place and the operating effectiveness of such controls.

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

d) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based

on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **"Annexure A",** a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.

Annexure - A to the Independent Auditors' Report

(Referred to Paragraph – 1 under the "Report on other Legal and Regulatory Requirements" section of our report to the Members of Container Corporation of India Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:

a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

b. The Company has a program of physical verification of Property, Plant and Equipment and right-of use assets which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

c. Based on our examination of the records of the company, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date except the cases given in Appendix-A where title deeds of immovable properties are not held in the name of the company.

d. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

e. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.

ii. (a) The Company has carried out physical verification of inventory at the year end. As per the information and explanations given to us, no discrepancies of 10% or more in the aggregate for each class of inventory were

noticed during such verification, and as such no adjustments were required to be made in the books of accounts.

(b)The Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. The Company, during the year, has made investment of Rs 20.40 crores by way of Cumulative Redeemable Preference shares in M/S Punjab Infrastructure Logistics Limited (PLIL), a subsidiary of the company. However, the company has not provided any security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties, in respect of which:

a. The Company had provided guarantee to HDFC Bank amounting to Rs 70 crores in past for loan given by HDFC Bank to M/S Punjab Infrastructure Logistics Limited (PLIL), a subsidiary of the company. Further, the company has not provided any loans or advances in the nature of loans or provided security to any other entity during the year. Details in respect of above is given below:

A. The aggregate amount of guarantee provided during the year is NIL and balance outstanding with respect to such guarantee is Rs 2.03 crores as on 31.03.2024
B. This sub-clause is not applicable.

b. In our opinion, the investments made during the year are, prima facie, not prejudicial to the Company's interest.

c. The company has not granted loans and advances, hence reporting under clauses 3(iii)(c), (d), (e) and (f) of the order are not applicable.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. In respect of statutory dues:

a. In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

b. Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31,2024 on account of disputes are given below:

ANNEXURE - C TO THE INDEPENDENT AUDITORS' REPORT

Referred to Paragraph – 3(f) under the heading of "Report on other Legal and Regulatory Requirements" our Report of even date

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of **CONTAINER CORPORATION OF INDIA LIMITED** ("the Company") as on 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail ,accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and 299 (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial reporting issued by the Institute of Chartered Accountants of India.

"NOTES FORMING PART OF FINANCIAL STATEMENTS"

NOTE 1: MATERIAL ACCOUNTING POLICIES

1. **Corporate Information**

Container Corporation of India Limited (CONCOR), was incorporated on 10 March 1988 under the Companies Act with registration number 030915, and commenced its operation from November 1989 taking over the existing network of 7 ICDs from the Indian Railways. The shares of the Group are listed on two stock exchanges in India i.e. National Stock Exchange of India Limited (NSE) and BSE Limited (BSE).

From its humble beginning, it is now an undisputed market leader having the largest network of 66 ICDs/CFSs/Strategic Tie-ups in India. In addition to providing inland transport by rail for containers, it has also expanded to cover management of Ports, air cargo complexes and establishing cold-chain. It has and will continue to play the role of promoting containerization of India by virtue of its modern rail wagon fleet, customer friendly commercial practices and extensively used Information Technology. The Group developed multimodal logistics support for India's International and Domestic containerization and trade. Though rail is the main stay of our transportation plan, road transportation is and also provided to cater the need of door-to-door services both in the International and Domestic business segment.

2 Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind ASs') notified by the Central Government under section 133 of the Indian Companies Act, 2013 as Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

3 Basis of preparation

The financial statements have been prepared on the historical cost basis except financial instruments that are measured at re valued amounts or fair values at the end of each reporting period. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except for leasing transactions that are within the scope of IND AS 116 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

4 Recent pronouncements

There were no recent pronouncements notified by Ministry of Corporate Affairs ("MCA")

5 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Group and entities (including structured entities) controlled by the Group and its subsidiaries. Control is achieved when the Group:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Group has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Group considers all relevant facts and circumstances in assessing whether or not the Group's voting rights in an investee are sufficient to give it power, including:

- the size of the Group's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;

- potential voting rights held by the Group, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Group and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Group and to the non-controlling entities even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

5.1 Changes in the Group's ownership interests in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

6 Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

7 Investments in associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS 105. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. Distributions received from an associate or a joint venture reduce the carrying amount of the investment. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group’s investment in an associate or a joint venture.

When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale. When the Group retains an interest in the former associate or joint venture and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with Ind AS 109. The difference between the carrying amount of the associate or joint venture at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate or joint venture is included in the determination of the gain or loss on disposal of the associate or joint venture. In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate or joint venture on the same basis as would be required if that associate or joint venture had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate or joint venture would be reclassified to

profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the equity method is discontinued.

The Group continues to use the equity method when an investment in an associate becomes an investment in a joint venture or an investment in a joint venture becomes an investment in an associate. There is no remeasurement to fair value upon such changes in ownership interests.

When the Group reduces its ownership interest in an associate or a joint venture but the Group continues to use the equity method, the Group reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be reclassified to profit or loss on the disposal of the related assets or liabilities.

When a group entity transacts with an associate or a joint venture of the Group, profits and losses resulting from the transactions with the associate or joint venture are recognised in the Group's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Group.

8 Property, plant and equipment:

i. Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. Cost includes net of interest on capital advances and is inclusive of freight, duties, taxes and other incidental expenses. In respect of assets due for capitalization, where final bills/claims are to be received/passed, the capitalisation is based on the engineering estimates. Final adjustments, for costs and depreciation are made retrospectively in the year of ascertainment of actual cost and finalisation of claim. Items such as spare parts, stand-by equipment and servicing equipment are recognised in accordance with this Ind AS 16 when they meet the definition of property, plant and equipment.

ii. Capital work in progress includes the cost of fixed assets that are not yet ready for their intended use and the cost of assets not put to use before the Balance Sheet date.

The expenditure incurred on survey, evaluation & investigation of projects, is booked under Capital Work-in Progress. However, at any stage, if management decides to abandon a project the expenditure incurred thereon is charged to the Statement of Profit & Loss at that stage.

iii. Provision for stamp duty at the prevailing rate is made by the Group at the time of capitalization of the amount paid for acquisition of land & is capitalised as part of the cost of Land.

Depreciation/Amortization:

iv. Property, plant and equipment are depreciated over its useful life and in the manner prescribed in Schedule II to the Companies Act 2013, other than as prescribed below:

Assets constructed on leasehold land, other than perpetual leases are depreciated over the period of lease or useful life of such assets, as prescribed under Schedule II of Companies Act 2013, whichever is less.

In respect of assets whose useful lives has been revised, the unamortized depreciable amount is charged over the revised remaining useful lives of the assets.

v. Capital expenditure on enabling assets, like roads, culverts & electricity transmissions etc., the ownership of which is not with the Group are charged off to revenue in the accounting period of incurrence of such expenditure. However, capital expenditure on enabling assets, ownership of which rests with the Group and which have been created on land not belonging to the Group is written off to the Statement of Profit & Loss

over its approximate period of utility or over a period of 5 years, whichever is less. For this purpose, land is not considered to be belonging to the Group, if the same is not owned or leased/licensed to the Group.

vi. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

vii. Non-current assets (or disposal groups) are classified as assets held for sale when a sale is considered highly probable and their carrying amount is to be recovered principally through a sale transaction rather than through continuing use. Non-current asset (or disposal groups) classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment and intangible assets are not depreciated or amortized once classified as held for sale.

9 Intangible Assets:

a) Expenditure on computer software, which is not an integral part of hardware, is capitalised as an intangible asset. The cost of software includes license fee and implementation cost and is capitalised in the year of its implementation. Software is amortized over five years being management's estimate of life of assets over which economic benefits will be derived. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

b) Terminal Rights are expenditure on acquisition of right to construct, operate, maintain and develop an air cargo terminal incurred by way of stamp duty, registration fees, project bidding cost etc. is capitalized as an intangible asset. It is amortized over the contractual remaining period from the date of handing over the facilities.

10 Impairment of Non-financial Assets:

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Component of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

11 Inventories:

Stores and spare parts are valued at cost on weighted average basis or Net Realizable Value (NRV) whichever is lower. Provision for obsolescence is made, whenever required.

12 Employee Benefits:

(i) Liability for gratuity, leave salary and post retirement medical benefits payable to employees is provided for on accrual basis using the Projected Accrued Benefit Method (Projected Unit Credit Method with

control period of one year) done by an independent actuary as at the Balance Sheet date. Contributions are made to approved gratuity fund created in a separate trust set up by the Group for this purpose.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement.

The Group presents the first two components of defined benefit costs in profit or loss in the line item [‘employee benefits expenses]. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Group’s defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Termination benefits are immediately recognised in the statement of profit or loss account. A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

(ii) Contribution to defined contribution plans such as Provident Fund, Pension Fund and Family Pension Fund are charged to the Statement of Profit & Loss as and when accrued.

(iii) The undiscounted amount of short term employee benefits expected to be paid for the services rendered are recognized as an expense during the period when the employees render the services.

13 Foreign Currency Transactions:

Functional currency: The functional currency of the Company is the Indian Rupee. These financial statements are presented in Indian Rupees.

(i) Income, Expenditure & Assets denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.
(ii) Loans, Current liabilities and Current assets in foreign currencies are translated at the exchange rate prevailing at the end of financial year.
(iii) Gains or losses due to foreign exchange fluctuations are recognised in the Statement of Profit & Loss.
(iv) Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not translated.
(v) The date of transaction (which includes receipt or payment of advance consideration in a foreign currency) for the purpose of determining the exchange rate, is the date of initial recognition of the non monetary asset or non monetary liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt.

14 Revenue Recognition:

1. <u>Basic principal for Revenue Recognition</u>
   i. Revenue is recognized on satisfaction of each performance obligation (distinct services) as per the terms of the contract.
   ii. Performance obligations are treated as distinct obligation:

a) When it is identifiable separately from other obligations in the contract;
b) Its progress can be measured separately;
c) Transaction price to the performance obligation can be allocated;
d) The customer will not be required to re-perform the services already performed in case it decides to terminate the contract at that stage;
e) There will not be any impairment in the value of services already performed; and
f) The customer can get the rest of the performance without intervention of CONCOR.

iii. Satisfaction of performance obligation: Container movement between two destinations is considered distinct performance obligation under each contract and the contract is treated as 'over the period contract'.

iv. Transaction price for each primary obligation is fixed at the time of entering into contract. Rates at which incidental services are charged are also known at the time of entering into contract. Therefore "output method" of revenue recognition is applied.

v. Volume discount scheme (VDS) is in the nature of variable consideration. Since, VDS is not universally applicable to all contracts, fair estimate is made of such consideration payable in specific cases and is deducted from Gross Revenue to reflect revenue net of variable consideration on the reporting date.

2. Rail Freight Income: Rail freight income and charges for incidental services and related expenses are accounted for on satisfaction of performance obligation i.e., transportation of container to the destination terminal/port/customer's premises (in case of chassis delivery) after providing all incidental services required in the course of primary obligation of transportation like loading & unloading etc. to make the container/cargo ready for delivery.

3. Road Freight Income: Road freight income and charges for incidental services and related expenses are accounted for on satisfaction of performance obligation i.e., transportation of container to the destination terminal/port/customer's premises after providing all incidental services required in the course of primary obligation of transportation like loading & unloading etc. to make the container/cargo ready for delivery.

However, in case of door to door delivery via rail movement, road freight income and charges for incidental services are accounted for on arrival of container at the originating CONCOR Terminal from customer premises.

4. Warehousing Income:
a) Warehousing Charges in domestic segment are recognized on accrual basis.
b) Warehousing Charges in EXIM segment are recognized at the time of release of cargo to the customer.

5. Terminal service charges:
a) Terminal Service Charges (TSC) on empty containers and loaded domestic containers are recognized on accrual basis.
b) Terminal Service Charges (TSC) on EXIM loaded containers are recognized at the time of release of containers.

6. Dividend income is recognized when the company's right to receive the dividend is established.

7. Interest income from deposits is recognized on accrual basis.

8. Interest on income tax refunds are accounted for on the finalization of assessments.

15 Claims/Counter-claims/Penalties/Awards:
Claims/counter-claims/penalties/awards are accounted for in the year of its settlement.

16 Taxes on Income:
Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Income Tax act, 1961 in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the individual Company will pay normal income tax during the period for which the MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

17 Provisions, Contingent Liabilities & Contingent Assets:

a. **Provisions**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

b. **Onerous contracts**

Onerous Contracts: A contract is considered as onerous when the expected economic benefits to be derived by the Group from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Group recognises any impairment loss on the assets associated with that contract.

c. **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

d. **Contingent Assets**

Contingent assets are not recognized in the Financial Statements. However they are disclosed when the possible right to receive exists.

18 Earnings per share (EPS)

Basic earnings per share ('EPS') is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the result would be anti-dilutive.

19 Cash and Cash Equivalent

In the consolidated cash flow statement cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

20 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand -alone price of the lease component and the aggregate standalone price of the non-lease components.

The Company as a Lessee

At the date of the commencement of the lease, the Company recognizes a right-of-use assets ('ROU') and a corresponding lease liability for all the lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and low value leases, the Company recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

In determining the lease term, Company considers the Option to extend/terminate the lease, wherever it is reasonably certain to exercise such option.

Lease liability is initially measured at the present value of future Lease payments due to the lessor over the lease term, with the discount rate determined by reference to the rate implicit in the lease and in case it is not determinable, Company's incremental borrowing rate on commencement of the lease is used. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The Company only include variable lease payments in measurement of the lease liability if they depend on index or rate. Other variable lease payments are charged to statement of profit & loss. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

The Company recognizes the amount of the re-measurement of lease liability due to reassessment/ modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of reassessment/modification. However, lease modification is accounted as separate lease if the modification increases the scope of the lease by adding the right to use one or more underlying assets and the consideration for lease increases by an amount commensurate with stand-alone price for the increase in the scope.

The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. They are subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any re- measurement of the lease liability.

Right-of-use assets are depreciated on a straight-line basis over the lease term or remaining useful life of the underlying assets as prescribed in IND AS 16 (PPE)/Schedule II of Companies Act 2013, whichever is shorter.

The Company as a Lessor

Leases for which the Company is a lessor is classified as finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as finance lease. All other leases are classified as operating leases.

For operating leases, the rental income/lease payments received are recognized on straight-line basis over the lease term.

For finance leases, finance income is recognized over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. The Company assesses the lease

classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. However, if a head lease is a short term lease, wherein the Company has accounted lease payments on straight line basis, then it classifies the sub-lease as an operating lease.

21. Financial instruments

Financial assets and financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

i. **Debt instrument/Tax free bonds at amortised cost –** A debt instrument at the amortised cost if both the following conditions are met:
   a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
   b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

   After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Equity instruments** – All equity instruments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

iii. **Mutual Funds** – All mutual funds in scope of Ind-AS 109 are measured at amortised cost and the (FVTPL) since they could be readily available for sales with significant change in value of the cash inflows.

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified at amortised cost.

Subsequent measurement
Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. This category generally applies to long-term payables and deposits.

De-recognition of financial liabilities
A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments
Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Financial guarantee contracts
A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Group entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:
- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

22. Impairment of financial asset
In accordance with Ind-AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive. When estimating the cash flows, the Group is required to consider –
- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivable
As a practical expedient the Group has adopted 'simplified approach' using the provision matrix method for recognition of expected loss on trade receivables. The provision matrix is based on historical default rate observed over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical default rates are updated and changes in the forward-looking estimates are analysed. Further receivables are segmented for this analysis where the credit risk characteristics of the receivables are similar.

Other financial assets
For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

23. Registration Fee: Registration fee paid to Ministry of Railways (MOR) for movement of container trains on Indian Railways Network and running of Private Freight Terminals (PFT) is shown as Prepaid Expenditure

under 'Current Assets' and 'Non Current Assets'. The registration fee is amortized over the period covered by the respective agreements with Indian Railways.

24. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

25. Segment reporting

The Group's segmental reporting is in accordance with Ind AS 108 Operating Segments. Operating segments are reported in a manner consistent with the internal reporting provided to the board of directors, which is responsible for allocating resources and assessing performance of the operating segments, and has been identified as the chief operating decision maker.

26. Significant management judgement in applying accounting policies and estimation uncertainty

Significant management judgements

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the financial statements.

Recognition of deferred tax assets: The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

Estimation certainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual result may be substantially different.

Defined benefit obligation: Management estimates of these obligation is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the defined benefit obligation amount and the annual defined benefit expenses.

Provisions: At each balance sheet date based on management judgement, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be deferent from this judgement.

Recoverability of deferred tax assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Useful life of Property plant and Equipment and Intangible assets: As described at 3 and 4 above, the Group reviews the estimated useful lives of property, plant and equipment and Intangible assets at the end of each reporting period. The estimate of useful life may be different on account of change in business environment and change in technology which could have a material impact on the financial statement.

27. Grants:

Grants are recognized when there is a reasonable assurance that the company has complied with the conditions attached to them and it is reasonably certain that the ultimate realization and utilization will be made. Grants which are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company, with no future related costs are recognized in the statement of profit & loss of the period in which they have accrued.

Grants related to depreciable assets including non-monetary grants (at fair value), are presented in the balance sheet as "Deferred Income" of the period, in which they become receivable. Such grants are usually recognized in the statement of profit & Loss over the periods in the proportions, in which depreciation expense on those assets is recognized.

The grants under 'Served from India Scheme (SFIS)' are recognized at the time of utilization of SFIS Scrip towards procurement of assets and inventories. Such assets/inventories have been capitalized with a gross value from transaction date based on deemed cost exemption availed by the Company.

The grants under 'Service Export from India Scheme (SEIS)' are recognized when the conditions attached with the grant have been satisfied and there is reasonable assurance that the grants will be received. These are recognized in the period in which the right to receive the same is established i.e. the year during which the services eligible for grant of SEIS have been performed.

12.1 Credit risk management

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Group. At the inception of a service contract, the Group collects the predetermined expected dues in advance. The balance of trade receivables represents the additional amounts charged to the customers over and above the amount already collected towards the expected dues in advance. For the recovery of balance contractual payments, the Group has a legal right to auction the material of the customers and recover the dues in terms of the provisions contained in Customs Act, 1962.

Thus, the Group has limited exposure to credit risk.

12.2 Credit risk concentration

The concentration of credit risk is limited due to the fact that the customer base is large and unrelated. Customers represent more than 5% of the total balance of trade receivables comprise of the following:

Particulars

1. M/s Western Carriers India Pvt Ltd.
2. M/s Hapag Lloyd India Pvt Ltd.
3. M/s Maersk Line India Pvt Ltd.
4.M/s Food Corporation of India.

12.3 Allowance for expected credit loss

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The movement in the expected credit loss allowance at the end of the reporting period is as follows

* As per CONCOR House Building Advance Rules, CONCOR is providing House Building Advance (HBA) facility to all regular employees of the Corporation, who on the date of submitting application for advance have rendered not less than three years' continuous services. As per earlier HBA rules, simple interest @ 5% per annum on the loan amount up to ₹ 5.5 lakhs & interest @ 7.5% per annum on loans beyond ₹ 5.5 lakhs. Rebate was provided "in case of employees superannuating from CONCOR services or die in harness or become medically incapacitated for reasons not connected with intemperate habits or putting 10 years of minimum regular service from the date of availed of advance, a rebate @ 50% in the interest rates was allowed". During the Financial year 2022-23, the company has changed its policy and decided that interest @ 3 % will be charged on HBA's or where the HBA amount/interest is outstanding as on date or the rebate for the loan is yet to be availed. Resultantly HBA interest was recalculated from date of disbursement of loan & benefit of the same was passed on to employee amounting to ₹ 11.35 crores. Rebate on HBA amounting to ₹ 0.50 crores is for F.Y 2022-23 & ₹ 10.85 crores for previous years. Hence, in. F.Y. 2022-23 "Interest income earned on Financial assets carried at amortised cost" on loans given to employees is ₹ (3.36) crores.

Note 41. Employee Benefit Plans

A. Defined Contribution Plans

a) Employers Contribution to Provident Fund

Group pays fixed contribution to Provident Fund at predetermined rates to a separate trust, which invests the fund in permitted securities. The contribution to the fund for the period is recognized as expense and is charged to the profit & loss account. The obligation of the Group is limited to such fixed contribution. However, the trust is required to pay a minimum rate of interest on contributions to the members as specified by Government. As per actuarial valuation such liability is NIL as at March 31,2024, (As at March 31, 2023: NIL)

(₹ in crore)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
During the year the Group has recognised the following amounts in the statement of profit and loss :-		
Employers Contribution to Provident Fund	**22.71**	**21.41**

B. State Plans

(₹ in crore)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
During the year the Group has recognised the following amounts as employer's contribution to state plans in the statement of profit and loss:-		
Employers contribution to Employee's Pension Scheme 1995.	**1.73**	**1.95**

C. Defined Benefit Plans and Other Long Term Benefits

a) Contribution to Gratuity Funds - Employee's Gratuity Fund

The Group has a defined benefit gratuity plan, which is regulated as per the provisions of Payment of Gratuity Act, 1972. The scheme is funded by the Group and is managed by a separate Approved Trust. The liability for the same is recognized on the basis of actuarial valuation. However, the Group does not sponsor the funded defined benefit plans for any of its subsidiaries.

b) Leave Encashment/ Compensated Absence.

The company has a defined benefit leave encashment plan for its employees. Under this plan, they are entitled to encashment of earned leaves and medical leaves subject to certain limits and other conditions specified for the same. The liabilities towards leave encashment have been provided on the basis of actuarial valuation.

c) Retirement Allowance

The Group has formed a medical trust, which takes care of medical needs of its employees after their retirement. Their entitlement for reimbursement of medical expenses is regulated as per the policy. The liability for the same is recognized on the basis of actuarial valuation.

These plans typically expose the Group to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest Risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life's expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

An actuarial valuation was carried out in respect of the aforesaid defined benefit plans and other long term benefits based on the following assumptions.

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Gratuity
The estimated term of the benefit obligations in case of gratuity is 8.92 years (As at march 31, 2023: 9.10 years)

The Group expects to contribute ₹ 5.66 crore to its gratuity plan in the next financial year

Leave Encashment
The estimated term of the benefit obligations in case of leave encashment is 8.92years (As at March 31, 2023: 9.10 years)

Leave Travel Concession
The estimated term of the benefit obligations in case of leave travel concession is NA (As at March 31, 2023: NA)

There has been no change in the process used by the Group to manage its risks from prior periods.

Note 42. Segment information

42.1 Services from which reportable segments derive their revenues

The Segment reporting disclosed by the Group in this section is presented in accordance with the disclosures requirements of Ind AS 108 "*Operating Segment*".

Information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of segment performance focuses on the divisions operated in the Group and in respect of two major operating divisions- EXIM and Domestic, which are organized on All India basis. The information is further analysed based on the different classes of customers. Both EXIM and Domestic divisions of the companies in the Group are engaged in handling, transportation and warehousing activities. No operating segments have been aggregated in arriving at the reportable segments of the Group.

As at March 31, 2024, the operating segment of the Group are as under:

The companies in the group are organised into two major operating divisions- EXIM and Domestic. The divisions are the basis on which the Company reports its primary segment information for the Group. Segment revenue and expenses directly attributable to EXIM and Domestic segments are allocated to the two

segments. Joint revenue and expenses have been allocated on a reasonable basis. Segment assets include all operating assets used by a segment and consist principally of inventories, sundry debtors, cash and bank balances, loans, advances, other current assets and fixed assets net of provisions. Similarly, segment liabilities include all operating liabilities and consist principally of sundry creditors, advance/deposits from customers, other liabilities and provisions. Segment assets and liabilities do not, however, include provisions for taxes. Joint assets and liabilities have been allocated to segments on a reasonable basis.

The operations of the Group are presently confined to the geographical territories of India. Therefore, there are no reportable geographical segments.

The accounting policies of the reportable segments are the same as the Group's accounting policies described in note 1. Segment profit represents the profit before tax earned by each segment without allocation of central administration costs and directors' salaries, investment income, other gains and losses, as well as finance costs. This is the measure reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance.

Revenue and expenses directly identifiable to the segments have been allocated to the relatively primary reportable segments.

Segment revenue and expenses which are not directly identifiable to the primary reportable segments have been disclosed under unallocable, which primarily includes interest and other income and Corporate Expenses. Other income includes Rent income, dividend income and Interest Income. Corporate Expenses includes Employee staff benefit expense, Administrative expense and Depreciation expense of Corporate office.

Note 46. Lease Arrangements

As a lessee

The Company has entered into Operating leases arrangements for Land, Vehicles, Containers, Plant & Machinery, Railway Wagons/Rakes, Office Premises, Accommodation Provided to Staffs etc. with different lease terms.

The Company has accounted lease payment associates with short term leases (having lease term of 12 months or less) and leases of low value assets (less than ₹ 3.5 lakhs) as an expense on either a straight-line basis over the lease term or another systematic basis.

The Company has entered into agreement(s) with Indian Railways, for utilization of its land leased to CONCOR for setting up of Company's Terminals and carrying out Company's operations at such terminals.

In FY 2020-21, Ministry of Railways, Government of India vide its order no.2015/LML-II/13/4 dated 19.03.2020, had communicated that the Land License Fee (LLF) applicable on the Railway land leased to CONCOR shall be charged w.e.f. 01.04.2020 as per extant policy of Railways i.e. @6% of the value of land, which will be further increased 7% annually. Subsequently, superseding all previous policies/ guidelines, Railways has issued a Master Circular (MC) on Policy for Management of Railway Land on 4th October 2022. In the MC, it has been reiterated that annual LLF on the existing land will be payable @6% of Market Value (MV) of land with annual escalation of 7%. The MV will be the industrial rate specified in the State and when it is not specified in the State, then any other rate depending upon use of surrounding land as specified by the State/ Revenue Office, shall be considered.

On the basis of above MC of Railways, LLF for the FY 2023-24 has been booked on the MV of Railways' land parcels obtained by CONCOR. In some cases, where there is inconsistency in the assessment of land area and MV of land between the Company and the Railways, the same is being reconciled with the concerned divisional Railways. Further, in terms of the MC the new Agreement(s) with the Railways for the land parcels leased to CONCOR will be executed as and when the same are finalized by Railways.

In view of above, the quantification of company's potential exposure for land licensed by Indian Railways in future is not ascertainable. Therefore, the Company has not recognized Right of Use (ROU) Asset and Lease Liability for lands licensed by Indian Railways

2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term.

Note 47. Financial Instruments

(1) Capital management

The Group's risk management committee reviews the capital structure on an annual basis or frequently as and when need arises. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital. Based on this, the Group determines the amount of capital required for annual and long-term operating plans. The funding requirements are met through equity and borrowings. The Group monitors the capital structure on the basis of Net debt to equity ratio and maturity profile of the overall debt portfolio of the Group.

The capital structure of the Group consists of net debt (borrowings as detailed in note. 22 are offset by cash and bank balances) and total equity of the Group.

The gearing ratio enables investors to see how significant net debt is relative to equity from shareholders. After the infusion of debt during 2015-16, the subsidiary in the Group is subject to externally imposed capital requirements against the term loan borrowed from HDFC Bank from the third year of its operations. As per the financial covenants exposed by bank, the subsidiary in the Group has to maintain tangible net worth below 2 and total debt service coverage ratio (DSCR) should be greater than 1.25.

47.1 (i) Gearing ratio

The gearing ratio at the end of the reporting period was as follows:

(₹ in crore)

Particulars	As at March 31, 2024	As at March 31, 2023
Debt *	26.23	55.49
Cash and bank balances	3,296.09	3,102.12
Net debt	(3,269.86)	(3,046.63)
Equity**	11,926.52	11,328.11
Net debt to equity ratio	(0.27)	(0.27)

*Debt is defined as long-term and short-term borrowings.
**Equity includes all capital and reserves of the Group that are managed as capital.

(ii) Categories of financial instruments

(₹ in crore)

Particulars	As at March 31, 2024	As at March 31, 2023
Recorded at amortised cost		
Financial assets		
Cash and bank balances	3,296.09	3,102.12

Borrowings	26.23	55.49
Trade payables	281.01	382.12
Other financial liabilities	1,211.60	1,080.62

(iii) Financial risk management objectives

The Group's corporate treasury function monitors and manages the financial risks relating to the operations of the Group by analysing exposures by degree and magnitude of risks. These risks include market risk (including

currency risk and price risk), credit risk and liquidity risk.

(iv) Market Risk

The Group's activities is exposed primarily to the financial risks of changes in foreign currency exchange rates. Market risk exposures are measured using sensitivity analysis.

There has been no change to the Group's exposure to market risks or the manner in which these risks are being managed and measured.

(v) Foreign Currency risk management

The company is not subject to significant transactions denominated in foreign currencies. The company does not have earnings in foreign currency but the foreign currency outgo made during the year is ₹ 0.63 crore (2022-23 : ₹ 0.50 crore) against which the net gain/(loss) on foreign currency transactions recorded in the books is insignificant .Consequently, exposures to exchange rate fluctuations are limited.

(vi) Interest rate risk management

The Group is exposed to interest rate risk because the Group has borrowed the funds at floating interest rate in the Financial year 2015-16. The current effective interest rate used by the Group is bank's base rate as per bank advice to record interest expense till the moratorium period of 4 years. However after moratorium period, the bank will charge at its bank base rate and spread which shall be reset on yearly basis from the date of first draw down.

The Group is exposed to the change in bank base rate as well as additional spread if reset by the bank during the tenure of the loan. A 50 basis points increase / decrease in the interest rate as at 31 March 2024 will lead to ₹ 0.01 crore (31 March 2023 will lead to ₹ 0.25 crore) increase/ decrease in the profit recorded during that period.

(vii) Other price risks

The company is not exposed to price risk as its investments in debt based marketable securities are held in a business model to collect contractual amounts at maturity and are carried at amortised costs. Thus the change in fair value of these investments does not impact the Company.

(viii) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has limited exposure to credit risk owing to the balance of trade receivables as explained in Note no. 12. Company's bank balances and investments in marketable securities are held with a reputed and creditworthy banking institution resulting to limited credit risk from the counterparties.

(ix) Liquidity risk management

The Group manages liquidity risk by maintaining adequate reserves and continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

*The Management has assessed the above claims and recognized a provision of ₹Nil (PY : 0.24 crore) based on probability of outflow of resources embodying economic benefits and estimated ₹ 1373.58 crore (PY: ₹ 1058.22 crore as the amount of contingent liability including LLF Demand from railways for few terminals **i.e.** amounts for which Company may be held contingently liable. In respect of such estimated contingent claims either outflow of resources embodying economic benefits is not probable or a reliable estimate of the amount required for settling the obligation cannot be made. In respect of the rest of the claims/obligations, possibility of any outflow in settlement is considered as remote.

c). Contingent liabilities are disclosed to the extent of claims received and include an amount of ₹ 42.68 crore (2022-23: ₹ 33.09 crore), which may be reimbursable to the company. Any further interest demand on the basic claim is not considered where legal cases are pending, as the claim itself is not certain. No provision has been made for the contingent liabilities stated above, as on the basis of information available, careful

evaluation of facts and past experience of legal aspects of the matters involved, it is not probable that an outflow of future economic benefits will take place.

d). A demand of ₹ 158.84 crore received from SDMC towards property tax of ICD/Tughlakabad whereas as per the opinion of Advocate no provision of property tax was being made in the books earlier and no demand were ever received in this regard. Note 57

57. India Gateway Terminal (P) Ltd. (IGTPL) is a joint venture of CONCOR with Hindustan Ports Pvt. Ltd & others for setting up and managing of container terminal at Cochin. Though CONCOR's share in the accumulated losses (as per unaudited financial statements for FY 2023-24) of this JV are as at ₹ 44.69 crores & does not exceeds its investment of ₹ 54.60 crores as on 31st March 2024, no provision for diminution in the value of investment has been made, as with the management's consistent review and implementation of appropriate business strategy, the company has already made a turnaround. The same is clearly established from the unaudited financial statements of IGTPL for FY 2023-24..

Management has also tested this investment for impairment in accordance with the conditions laid own under IND AS-36 "Impairment of Assets". As per the impairment testing carried out by the management, it has been established that the Value in Use i.e., the present value of future expected cash flows that will accrue from the improving/enhancing of its asset's performance exceed the carrying value of investment. IND AS-36 states that impairment needs to be provided if and only if the carrying value of investments exceeds its value in use or fair value.

72. In respect of JV Gateway Terminals India Private Limited, Company share is 26%. As reported previously, the Companies revenue is determined by Tariff Authority for Major Parts (TAMP) based on the applicable tariff guidelines. TAMP notified a reduction of tariff by 44.28% as compared to the existing rates vide its order dated July 2, 2012 w.e.f. February 12, 2012.

The said order was challenged by the company and against which Bombay High Court issued an interim order on July 2, 2012 stating "Pending further orders the petitioners shall be permitted to charge and collect the tariff at the rates prevailing prior to impugned order dated January 19, 2012. However the petitioners shall keep the account of every such transaction and in the event of the petitioners not succeeding in the writ petition, collection of any amounts by the petitioners over and above the tariff prescribed by the impugned order, shall be subject to the further orders of this court." . A petition has also been filed by the Indian Private Ports & Terminals Association at Delhi high court, which is being heard. The Company has been legally advised on the matter on the merits of the case and also the Company's right to use the Tariff Differential collected for the operations of the Company. Based on legal advice obtained, the Company had recognized revenue at gross level in the books and utilized the Tariff Differential collected on the invoice raised, for the day to day operation of the Company.

The Company also paid revenue share to Jawaharlal Nehru Port Trust (now known as Jawaharlal Nehru Port Authority) on the Tariff Differential collected based on the MOU entered between both the parties.

Income from Port Services for the year includes revenues of ₹ Nil crore (previous year: ₹ Nil crore) pertaining to differential tariff. Appropriation of income to JNPT for the year includes ₹ Nil crore (previous year ₹ Nil crore) pertaining to differential tariff. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
CONTAINER CORPORATION OF INDIA LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **CONTAINER CORPORATION OF INDIA LIMITED** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, which comprise the consolidated Balance Sheet as at 31st March 2024, the consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates and jointly controlled entities as at March 31, 2024 and their consolidated profit (including other comprehensive income), their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year ended 31st March 2024. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be key audit matters to be communicated in our report.

Key Audit Matter	How our Audit Addressed the Key Audit matter
Demand raised by Railways against the company:	Our audit procedures included the following:
The company has received demand against Land Licence fee for three terminals namely Phillaur for Rs.15.96 Crores, Tughlakabad for Rs.677.68 Crores and Moradabad for Rs.5.58 Crores.	• Discussion with the management on the policy matter of land licence fee (LLF) payable to Railway. • The Railway Board As per Master Circular issued by Railways on 4.10.2022, the annual Land Licence fee will be payable @ 6% of market value of land with annual escalation of 7%. The market value is to be taken as Industrial land rate specified in the State(s). The company has assessed the liability of LLF based on the area of land measured under Joint inspection of company and Railway and calculated the LLF by applying industrial land rates taken from respective Land Revenue Authorities. • In said cases, the demand is mainly due to differences in assessment of land area and market value of land between the company and Indian Railways (IR). The same are being reconciled with respective Divisional offices of IR, which are under their consideration for necessary correction. • We have obtained representation letter from the management on the assessment of these matters as per SA 580 (revised).

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The holding company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Director's Report including annexure to Director's Report, Business Responsibility Report, Corporate Governance, ten years Financial/physical performance and data and letter from Chairman & Managing Director are included in the annual report of the holding company but do not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group including its Associates and Jointly controlled entities in

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

a. Identify and assess the risks of material misstatement of the Consolidated financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

b. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associates and jointly controlled entities has adequate internal financial controls system in place and the operating effectiveness of such controls.

c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

e. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

f. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Matter

We draw the attention to the following:

1. Container Corporation of India Limited

a) Refer Note 33, 46 and 58, which describe payment of Land Licence Fee to Indian Railways for land leasedto it on the basis of the company assessment in line with master circular dated 04.10.2022 issued by Railway and is not final. In view of the uncertainty of the lease terms, no Right of Use (ROU) has been assessed as required under Ind AS 116.

2. Fresh & Healthy Enterprises Limited

a) Note No. 8(c) of their financial statements in respect of sundry debtors there is uncertainty related to the outcome of the lawsuit filed against various sundry debtors. The company has taken appropriate action in this respect.

3. CONCOR Air Limited

Material Uncertainty Related to Going Concern: -

We draw attention to Note No. 41 of the financial statements, which indicates that Board has decided to Transfer and Sell the Concessional Rights and Fixed assets of CONCOR AIR Ltd. to MIAL as per Agreed Terms and Conditions. The Contract period is up to Jan.2026 but in the interest of CONCOR Air Ltd., the termination is done before the expiry of the Concession period. This will have the major impact on the Business of the Company in Future. At present, the company has no other customer/buyer. Therefore, as stated in the point, this event indicate that material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. However, the financial statements of the company have been prepared on a going concern basis and our opinion is not modified in respect of the matter.

Our opinion is not modified in respect of the above stated matters..

Annexure - A to the Independent Auditors' Report

Referred to Paragraph 1 (f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (''the Act")

In conjunction with our audit of the consolidated financial statements as of and for the year ended 31 March 2024, we have audited the internal financial control over financial reporting of **CONTAINER CORPORATION OF INDIA LIMITED** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities which are companies incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors/Management of the Holding Company, its subsidiary companies, its associates and jointly controlled entities which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI'').

These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group and its associates and jointly controlled entities, based on our audit we conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting of the Group and its associates and jointly controlled entities.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the Annexure-A of Independent Auditor's Report of Concor Air Limited, a wholly owned subsidiary of the holding company, following material weaknesses have been identified by the auditor: -

Whereas the company has developed some internal financial control systems over financial reporting and such internal financial control over financial reporting were operating effectively as at 31.03.2024, there is an urgent need for development of a comprehensive Internal Financial Control Manual based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Control over financial reporting issued by the institute of Chartered Accountants of India and devising process for periodic verification of the various modules of the referred Manual. The above inference is drawn based on the following weaknesses observed: -

1) The Company is running standalone IT system for revenue Accounting and for accounting of receivables etc., which is not integrated with the financial package Tally. The company needs to integrate the two and incorporate internal control and audit system to verify the correctness of data.

2) System of reconciling the input Taxes with GST Returns and information available on the portal needs strengthening.

Except to the matters mentioned above in respect of CONCOR Air Limited, a wholly owned subsidiary company of the holding company, in our opinion and to the best of our information and according to the explanations given to us, the Holding Company, its other subsidiary companies, its associates and jointly controlled entities which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Our aforesaid reports under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to four (4) subsidiaries and two (2) Jointly

Controlled Entities audited by other auditors, is based on the corresponding reports of the auditors of such companies and in respect of ten (10) jointly controlled entities, is based on the certification provided by the management. Our opinion is not modified in respect of this matter.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF CONTAINER CORPORATION OF INDIA LIMITED FOR THE YEAR ENDED 31 MARCH 2024

The preparation of financial statements of **Container Corporation of India Limited** for the year ended 31 March 2024 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section139 (5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 16 May 2024.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **Container Corporation of India Limited** for the year ended 31 March 2024 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditor and is limited primarily to inquiries of the Statutory Auditor and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditor's report under Section 143(6)(b) of the Act.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF CONTAINER CORPORATION OF INDIA LIMITED FOR THE YEAR ENDED 31 MARCH 2024

The preparation of consolidated financial statements of **Container Corporation of India Limited** for the year ended 31 March 2024 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with Section 129(4) of the Act is responsible for expressing opinion on the financial statements under Section 143 read with Section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 16 May 2024.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of **Container Corporation of India Limited** for the year ended 31 March 2024 under Section 143(6)(a) read with Section129(4) of the Act. We conducted a supplementary audit of the financial statements of CONCOR Air Limited, SIDCUL CONCOR Infra Company Limited, Fresh & Healthy Enterprises Limited and Punjab Logistics Infrastructure Limited but did not conduct supplementary audit of the financial statements of Angul Sukinda Railway Company Limited for the year ended on that date. Further, Section 139(5) and 143(6)(a) of the Act are not applicable to the Joint Ventures (as per annexure) being private entities, for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditor's report under Section 143(6)(b) of the Act.
